## 6. Receive Informational Reports

### A. Interim Chief Executive Officer

Ms. Casillas provided highlights of the Interim CEO Report, which can be found in the Board packet.

- On August 31 several members of the Administrative Team and the Board conducted site visits to American Advanced Management (AAM) hospitals, including Orchard Hospital and Colusa Medical Center.
- The District hosted a site visit for representatives from San Benito County (County), Salinas Valley Health, and ECG Management Consultants on September 13<sup>th</sup> as part of the due diligence process.
- The District hosted a site visit for an additional interested party this past week. Further information will be provided as it becomes available.
- B. Riley continues to communicate with all interested parties.
- The interim CNO position has been filled.
- A meeting was attended with the County Behavioral Health Team to understand processes and discuss holds in the emergency room, reimbursement, and coverage. The County will be starting a mobile program in January for behavioral health and may attend a future Board meeting to provide more information.
- Representatives of Hazel Hawkins were invited by Benitolink to observe a meeting with other community leaders to learn more about community concerns regarding healthcare.
- The District will be working with the high school for a new four-year healthcare project for students. Hazel Hawkins will be teaming with them to provide speakers and possibly have students tour clinics.
- The Board Ad Hoc Committee has had several meetings this past month and Ms. Casillas asked Director Pack to provide an update.

Director Pack reported:

- B. Riley continues communications with AAM.
- One of the forthcoming matters will be to approve a contract for an independent appraisal of the fair market value of Hazel Hawkins Memorial Hospital. The Ad Hoc Committee gave approval to a bring contract forward for review, which is still being negotiated.
- There is a short-term window to add a vote to the ballot for the March 2024 primary, which would require all due diligence be completed by December 8, 2023. If the December 8, 2023 deadline is not met, a special independent election would need to be held and consideration given from the

interested party for financing of the special election. Alternatively, the vote would need to wait to the November 2024 general election.

Ms. Casillas noted the Ad Hoc Committee recommended Administration proceed to consult with a pollster and Administration will be working through that process.

An opportunity was provided for public comment and individuals were given three minutes to address the Board Members and Administration.

## **B. Financial Report**

1. Review Finance Updates - Mr. Robinson provided an overview of the financial report for September 21, 2023, as well as the Financial Statements and Finance Dashboard for August 2023, included in the Board packet.

Highlights include:

- HCAI confirmed the Treasury has received the second installment of \$150M for the AB112 Distressed Hospital Loan Program. It is anticipated the loan documents will be received by the District for review over the next several weeks. The District is scheduled to receive funding from the second installment; the first installment has yet to be distributed to selected facilities.
  - Census continues to be lower at the acute facility, exceeding at SNFs, and the ER is slower than budgeted. The District has flexed down for labor and expenses, but is not able to build reserve or put funding away at this time.
  - Expenses have been reduced and benefits changed to reduce costs. The District is still exposed as self-insured and there is a sense of urgency to move as quickly as possible to establish a strategic partner.
2. Mr. Robinson reviewed highlights of the SBHCD Pension Plan – January 1, 2023 Actuarial Funding Valuation Report, which was included in the Board packet. The report will be provided annually.

During discussion, it was noted Innova would attend a future Board meeting to provide an overview of the findings of the revenue cycle audit.

An opportunity was provided for public comment and individuals were given three minutes to address the Board Members and Administration.

## **7. Action Items**

- A. Consider Recommendation for Board Approval of the Professional Services Agreement Between the County of San Benito and Hazel Hawkins Memorial Hospital for County Eligibility Specialist Worker Effective July 1, 2023 through June 30, 2026 and Not to Exceed \$90,000 Annually

Staff reviewed the proposed Professional Services Agreement, which was included in the Board packet. It was noted there was a misprint and the contract is not to exceed \$92,000 annually - versus \$90,000 annually.

There was no public comment.

**MOTION:** By Director Pack to approve the Professional Services Agreement Between the County of San Benito and Hazel Hawkins Memorial Hospital for County Eligibility Specialist Worker Effective July 1, 2023 through June 30, 2026 and Not to Exceed \$92,000 Annually; Second by Director Shelton.

**Moved/Seconded/and Unanimously Carried:** Ayes: Directors Johnson, Pack, Sanchez, and Shelton. Absent: Director Hernandez. Approved 4-0 by roll call vote.

8. **Closed Session**

Vice-President Johnson announced the items to be discussed in Closed Session as listed on the posted Agenda are (1) Conference with Legal Counsel-Existing Litigation, Government Code §54956.9(d)(1); (2) Hearings/Reports, Government Code §37624.3 & Health and Safety Code §§1461, 32155.

The meeting was recessed into Closed Session at 6:23 p.m.

9. **Reconvene Open Session/Closed Session Report**

The Board of Directors reconvened Open Session at 7:10p.m. District Counsel Quinn reported that in Closed Session the Board discussed: (1) Conference with Legal Counsel-Existing Litigation, Government Code §54956.9(d)(1); (2) Hearings/Reports, Government Code §37624.3 & Health and Safety Code §§1461, 32155.

No reportable action was taken.

10. **Adjournment:**

There being no further regular business or actions, the meeting was adjourned at 7:10 p.m.

The next Regular Meeting of the Board of Directors is scheduled for Thursday, October 26, 2023 at 5:00 p.m., and will be conducted in person.

## Draft Letter from CEO

### Draft Letter from CEO

Dear Colleague:

Hazel Hawkins has developed a Compliance Program reflecting our ongoing commitment to provide high quality care in a safe environment, in compliance with ethical and legal business practices.

Every team member has a role in ensuring we are faithful to our mission and in full compliance with the applicable laws and ethical standards through their daily conduct. This Compliance Program will assist you in understanding the myriad of regulations and standards that govern our work. Please take the time to read the document in its entirety and familiarize yourself with its content.

If you have any questions about this Compliance Program or need assistance in addressing a specific compliance-related issue, you are encouraged to discuss the situation with your supervisor. If you would rather speak to our Chief Compliance Officer directly, you can call 831-635-1149. Alternatively, you may call the compliance hotline at (800) 216-1288 (Spanish) or (855) 222-2500 (English). You are highly encouraged to ask questions and to bring all potential compliance issues forward.

Compliance is doing the right thing. Thank you for your personal commitment to compliance as we fulfill our mission and serve our patients.

Sincerely,

Mary Casillas  
Chief Executive Officer

# Compliance Program

## Compliance Program

Hazel Hawkins is dedicated to maintaining excellence and integrity in all aspects of its operations and its professional and business conduct. The Hospital is committed to conformance with high ethical standards and compliance with all governing laws and regulations, not only in the delivery of health care but in its business affairs and its dealings with all of its associates. It is the personal responsibility of all who are associated with Hazel Hawkins to honor this commitment in accordance with the terms of the Code of Conduct and related policies and procedures developed by Hazel Hawkins in connection with the Compliance Program.

An effective Compliance Program will ensure that Hazel Hawkins is:

- Operating in accordance with applicable laws and regulations
- Maintaining a culture of honesty and integrity
- Meeting high ethical and professional standards
- Preventing compliance issues before they occur
- Detecting compliance issues at earlier stages
- Assuring prompt corrective action
- Creating a culture of ethical and compliant behavior
- Building team member and public trust and confidence

### Purpose of Compliance Program

The Compliance Program is intended to provide reasonable assurance that Hazel Hawkins:

1. complies in all material respects with all federal, state and local laws and regulations that are applicable to its operations;
2. satisfies the conditions of participation in health care programs funded by the state and federal governments and the terms of its other contractual arrangements;
3. detects and deters criminal conduct or other forms of misconduct by trustees, officers, employees, medical staff, agents and contractors that might expose Hazel Hawkins to significant civil liability;
4. promotes self-auditing and self-policing, and provides for, in appropriate circumstances, voluntary disclosure of violations of laws and regulations;
5. establishes, monitors and enforces high professional and ethical standards.

### Compliance Program Elements

The Board of Directors of Hazel Hawkins has directed the development and implementation of an effective compliance program which includes the following elements recommended in the Office of Inspector General's Compliance Guideline for Hospitals:

## Compliance Program

1. Chief Compliance Officer and Compliance Committee designations
2. Education and training program development and implementation:
  - a. Provide general compliance information to the broad-based population.
  - b. Provide focused technical training to functional areas with the potential to subject Hazel Hawkins to significant compliance exposure.
3. Hotline process maintenance:
  - a. Receive complaints confidentially and provide retaliation protection to all individuals who report concerns via the Compliance Hotline.
4. Sanction or Disciplinary Action enforcement:
  - a. Enforce the appropriate sanctions or disciplinary actions against individuals who violate compliance policies, applicable laws or regulations or governmental health program requirements.
5. Monitoring:
  - a. Perform audits and risk assessments to identify problems.
  - b. Conduct ongoing compliance monitoring of identified problem areas.
6. Investigation and Remediation:
  - a. Investigate and remediate identified systemic problems.
  - b. Develop appropriate corrective action plans.
7. Code of Conduct:
  - a. Develop and distribute a Code of Conduct.
  - b. Develop or revise written policies and procedures that further promote the Hospital's commitment to compliance.

### Chief Compliance Officer

The Chief Compliance Officer is the primary leader of the Compliance Program. The Hospital's Chief Compliance Officer occupies a high-level position within the organization and has the necessary authority to carry out all Compliance Program responsibilities. The Chief Compliance Officer is responsible for assuring that the Compliance Program is implemented, ensuring that the Hospital is at all times maintaining business integrity and that all applicable statutes, regulations and policies are followed.

The Chief Compliance Officer provides regular and frequent reports to the Board of Directors about the Compliance Program and compliance issues. The Board of Directors is ultimately responsible for supervising the work of the Chief Compliance Officer, and maintaining the standards of conduct set forth in the Compliance Program. The Board oversees all of the Hospital's compliance efforts and takes any necessary actions to ensure that the Hospital conducts its activities in compliance with the law and ethical business practices.

The Chief Compliance Officer has direct access to the Board of Directors, Chief Executive Officer, other senior management and legal counsel. The Chief Compliance Officer has the authority to retain outside legal counsel as necessary.

# Compliance Program

Responsibilities of the Chief Compliance Officer

The Chief Compliance Officer's responsibilities primarily include:

1. overseeing and monitoring the implementation of the Compliance Program;
2. developing an annual Compliance Work Plan to guide implementation of the Compliance Program;
3. Reporting to the Chief Executive Officer and the Board of Directors on the progress of Compliance Program implementation;
4. Advising Hospital associates in establishing methods to reduce Hazel Hawkins' vulnerability to fraud, abuse and waste;
5. Obtaining the required commitment of resources to perform compliance review and monitoring activities;
6. Revising the Compliance Program periodically to reflect changes in the needs of the organization, and in the laws and regulations under which the Hospital operates;
7. Developing, coordinating, and participating in an educational and training program that focuses on the elements of the Compliance Program, and ensures that all associates are appropriately knowledgeable of pertinent laws, rules, regulations, and ethical standards;
8. Ensuring that independent contractors and agents who furnish services to Hazel Hawkins are aware of the applicable requirements of the Compliance Program;
9. Coordinating internal compliance review and monitoring activities, including periodic reviews of departments or functions that have the potential to become involved in compliance issues;
10. Independently investigating and acting on matters related to compliance, including the design and coordination of internal investigations that respond to reports of potential compliance issues;
11. Ensuring disciplinary action is enforced as appropriate;
12. Implementing processes to investigate, resolve, and document all issues reported via the Compliance Hotline;
13. Monitoring Compliance Work Plan progress, reporting status and relevant information to the Board of Directors;
14. Responding, in conjunction with legal counsel when appropriate to external agency requests regarding compliance issues.

## Compliance Committee

Hazel Hawkins has established a Compliance Committee to advise the Chief Compliance Officer and assist in monitoring the Compliance Program. The Compliance Committee provides the perspectives of individuals with diverse knowledge and responsibilities throughout the organization.

# Compliance Program

## Members of the Committee

The Compliance Committee consists of the following representatives. The members include those individuals designated below and other members who may be chosen by the Hospital's Chief Executive Officer in consultation with the Chief Compliance Officer:

- Chief Compliance Officer
- Chief Financial Officer
- Chief Nursing Officer
- Information Security Officer
- Privacy Officer
- Medical Staff Representative
- Human Resources Executive
- Risk Manager
- Quality Director
- Health Information Director
- Business Office Manager
- As appropriate, Directors of Emergency Department, Laboratory, Pharmacy, Imaging, and Purchasing
- Others as appropriate

## Functions of the Committee

The Chief Compliance Officer serves as the chairperson of the Compliance Committee. The Compliance Committee serves in an advisory role.

The Compliance Committee's functions include the following:

- Assessing existing and proposed compliance policies for modification or possible incorporation into the Compliance Program;
- Working with the Chief Compliance Officer to develop further standards of conduct and policies to promote compliance;
- Recommending and monitoring, in conjunction with the Chief Compliance Officer, the development of internal systems and controls to implement the standards and policies of the Compliance Program;
- Reviewing and proposing strategies to promote compliance and detection of potential violations;
- Assisting the Chief Compliance Officer in the development and ongoing monitoring of systems to solicit, evaluate and respond to complaints and problems related to compliance;
- Assisting the Chief Compliance Officer in coordinating compliance training, education and other compliance-related activities in the departments and functions in which the members of the Committee work;

## Compliance Program

- Consulting with vendors of the Hospital on a periodic basis to promote adherence to this Compliance Program.

The items listed above are not intended to be exhaustive. The Compliance Committee may address other compliance-related matters as determined by the Chief Compliance Officer.

### Education and Training

The Compliance Program will be effective only if it is communicated and explained to associates on a routine basis and in a manner that clearly explains its requirements. For this reason, the Hospital will establish mandatory, ongoing training requirements for its departments and associates based on the needs and requirements of each department and associate. Training programs will include appropriate education in federal and state statutes, regulations, guidelines, the policies described in this Compliance Program, and corporate ethics.

All formal training undertaken as part of the Compliance Program will be documented. Documentation includes at a minimum the identification of the individuals participating in the training, the subject matter of the training, the length of the training, the time and date of the training, the training materials used, and any other relevant information.

The Chief Compliance Officer will evaluate the content of the training program at least annually to ensure that the subject content is current, appropriate and sufficient to cover the range of issues confronting the Hospital's associates. The training program will be modified as necessary to keep up-to-date with any changes in federal and state health care program requirements, and to address the results of the Hospital's audits and investigations; results from previous training and education programs, trends in confidential Compliance Hotline reports; and guidance from applicable federal and state agencies.

The Chief Compliance Officer will seek feedback to identify shortcomings in the training program, and administer post-training tests as appropriate to ensure understanding and retention of the subject matter delivered.

The members of the Board of Directors will be provided with periodic compliance training, not less than annually.

Attendance and participation in compliance training programs is a condition of continued employment. Failure to comply with training requirements may result in disciplinary action.

### Written Policies and Procedures

Written policies and procedures should outline compliance program expectations. It is best practice that all compliance plans and related documents including compliance-related policies

## Compliance Program

be approved by the Board of Directors. Policies and procedures should be reviewed and revised annually with past versions archived.

It is also best practice to ensure that the approved compliance policies are easily available to staff. At a minimum, the Compliance Program and the Code of Conduct should be posted on an external website, as well as on an intranet location that all associates can easily find.

Some of the policies the Hospital should consider establishing and implementing are listed below:

### Compliance Reporting

# Compliance Program

## Compliance Reporting and Communication

### Open Communication

The Hospital recognizes that clear and open lines of communication between the Compliance Department and Hospital associates are important to the success of this Compliance Program. Hazel Hawkins maintains an open door policy with regard to all Compliance Program-related matters. Hospital associates are encouraged to seek clarification from the Compliance Department in the event of any confusion or question about a statute, regulation, or policy discussed in this Compliance Program.

### Submitting Questions or Complaints

The Hospital has established a confidential Compliance Hotline for use by Hospital associates to report concerns or possible wrongdoing regarding compliance issues. The confidential Compliance Hotline numbers are:

Phone: 800-216-1288 (Spanish) or 855-222-2599 (English)

Fax: 215-689-3885

Calls to the confidential Compliance Hotline are answered by an independent contractor, not by Hospital employees. All calls are treated confidentially and are not traced. The caller need not provide his or her name. The Hospital's Chief Compliance Officer or designee investigates all calls and letters and initiates follow-up actions as appropriate.

Communications via the confidential Compliance Hotline and any correspondence sent to the Chief Compliance Officer are treated as privileged to the extent permitted by applicable law.

Matters reported through the confidential Compliance Hotline, or in writing, that suggest violations of compliance policies, statutes or regulations, are documented and investigated promptly. A log is maintained by the Chief Compliance Officer of all calls or communications, including the nature of any investigation and subsequent results. A summary of this information is included in reports by the Chief Compliance Officer to the Hospital's Board of Directors and Chief Executive Officer.

### Non-Retaliation Policy

Associates who, in good faith, report possible compliance violations will not be subjected to retaliation or harassment as a result of their reports. Retribution related to reporting of compliance concerns is prohibited and anyone who engages in such prohibited activity will be subject to disciplinary action. Concerns about possible retaliation should be reported to Human Resources or the Chief Compliance Officer. All such communications will be kept as

## Compliance Program

confidential as possible but there may be occasions when the reporting individual's identity may become known or may have to be revealed as required by applicable law.

When appropriate, the Chief Compliance Officer will seek advice directly from legal counsel to assist in the investigation of compliance concerns.

### Enforcing Standards and Policies

It is the Hospital's policy to appropriately discipline Hospital employees who fail to comply with the Code of Conduct or the associated policies of the Compliance Program. The Hospital takes compliance seriously, and will respond appropriately to compliance-related misconduct.

All violators of the Compliance Program will be subject to disciplinary action. The seriousness of the offense and frequency of the violation will inform the precise discipline utilized including any or all of the following disciplinary actions:

- Written warning
- Written reprimand
- Suspension
- Termination and/or
- Restitution

### Auditing and Monitoring

The Hospital conducts periodic monitoring of this Compliance Program. Compliance reports created as a result of this monitoring, including reports of suspected noncompliance, will be reviewed and maintained by the Chief Compliance Officer.

The Chief Compliance Officer will develop and implement a Compliance Work Plan. The plan will be reviewed at least annually and updated to ensure it addresses the relevant areas of concern.

Periodic compliance audits are used to promote and ensure compliance. These audits are designed to address, at a minimum, compliance with laws governing kickback arrangements, physician self-referrals, claims development and submission, reimbursement and marketing. All individuals are expected to cooperate fully with auditors during this process by providing information and answering questions.

The Hospital shall conduct periodic reviews to determine whether the elements of this Compliance Program have been satisfied. Appropriate modifications will be implemented when monitoring discloses deficiencies in the Compliance Program.

## Compliance Program

### Investigation and Remediation

Hazel Hawkins is committed to investigating all reported concerns promptly and confidentially to the extent possible. The Chief Compliance Officer and Privacy Officer will coordinate findings from investigations and immediately recommend changes to be implemented and/or corrective action. The Hospital expects all associates to cooperate with investigation efforts. Employees giving false or misleading information during an investigation may lead to disciplinary action, up to and including termination.

Where an internal investigation substantiates a reported violation, the Hospital will initiate corrective action, including, as appropriate, making prompt restitution of any overpayments received, notifying the appropriate governmental agency, instituting disciplinary action as necessary and implementing system changes to prevent a similar violation from recurring in the future.

# Compliance Program

## Code of Conduct

### Purpose

Along with its medical staff, Hazel Hawkins Memorial Hospital serves as a responsive, comprehensive health care resource for its community by providing quality care in a safe and compassionate environment.

The Hospital's Board of Directors adopted the Compliance Program, including this Code of Conduct, to provide guidance to all Hazel Hawkins' employees and partners carrying out their daily duties to fulfill the Hospital's mission. These standards and obligations protect and promote the Hospital's integrity and enhance the Hospital's ability to achieve its mission.

Although intended to be comprehensive in nature, this Code of Conduct likely does not capture every scenario or circumstance that may arise. The Hospital expects you to consider not only the words written in this Code of Conduct, but the meaning and purpose of those words as well. You are expected to read this Code of Conduct and exercise good judgment ("do the right thing").

You are encouraged to talk to your supervisor or the Chief Compliance Officer if you have any questions about this Code of Conduct or what is expected of you.

### Applicability

This Code of Conduct applies to all individuals conducting business on behalf of Hazel Hawkins including employees, affiliated providers, subcontractors, independent contractors, vendors, volunteers and consultants.

Hazel Hawkins requires all employees to attest in an acknowledgment confirming they have received the Code of Conduct, understand it represents mandatory policies of Hazel Hawkins and agree to abide by it. New employees are required to sign an acknowledgement as a condition of employment.

### Personal Conduct

The Hospital's integrity and reputation rest on all of us as individuals exercising good judgment and acting in accordance with this Code of Conduct and the law. The Hospital's basic belief in the importance of respect for the individual has led to a strict regard for privacy and dignity. In the event it is determined that your personal conduct affects your performance, or that of other team members, or the legitimate interests of the Hospital, the Hospital may be required to take action.

# Compliance Program

## Compliance with Laws and Regulations

Hazel Hawkins provides healthcare services pursuant to federal, state, and local laws and regulations. All individuals conducting business on behalf of Hazel Hawkins are expected to comply with all applicable laws. When the application of a law or regulation is uncertain, the Hospital will seek appropriate legal counsel.

## Obligation to Report

You have the responsibility to report any activity that appears to violate applicable laws, rules, regulations, accreditation standards, medical practice standards, Conditions of Participation or any other legal or ethical standard. If you feel comfortable, you should first contact your supervisor with the concern. You can also contact the Chief Compliance Officer or call the confidential Compliance Hotline to disclose your concern. All reports of unlawful or unethical conduct will be investigated promptly. The Hospital does not tolerate threats or acts of retaliation or retribution for reporting compliance concerns.

## Work Environment

### *Health and Safety*

The Hospital complies with all applicable workplace health, safety and environmental laws and regulations. Hospital associates may be required to handle hazardous chemicals, infectious agents, and medical waste as part of their normal duties. You are expected to handle materials according to established procedures for control, storage and disposal. If you are not aware of these procedures or have questions about them, contact your supervisor or the Safety Officer at (831) 313-3670.

You should immediately report to your supervisor any situations that may cause falls, shocks, burns or other harm to patients, visitors or fellow team members.

### *Diversity and Equal Employment Opportunity*

The Hospital strives to create and maintain a work environment where all are treated with respect and diversity is valued. Hazel Hawkins prohibits discrimination in any work-related decision on the basis of race, creed, sexual orientation, gender identity, age, disability status, national origin, or any other illegal basis.

If you believe an inequitable or unfair practice is occurring in the workplace, you should contact the Human Resources Department. If the matter is not resolved to your satisfaction, you may contact the Chief Compliance Officer or call the confidential Compliance Hotline.

# Compliance Program

## *Harassment*

The Hospital is committed to providing a work environment that is free of harassment, and abusive, intimidating, threatening or disruptive behavior. The Hospital will not tolerate sexual advances, actions, comments, racial or religious slurs, or any other conduct that creates an intimidating or otherwise offensive environment.

Harassment can also take the form of workplace violence. Workplace violence includes robbery, stalking, violence towards the employer, terrorism, and hate crimes.

If you observe or experience any form of harassment or violence, you should report the incident to your supervisor, the Human Resources Department, the Chief Compliance Officer or the confidential Compliance Hotline. The Hospital considers all reports of such perceived conduct to be serious, and will ensure investigations are conducted expeditiously.

## *Conflicts of Interest*

A conflict of interest may occur if a Hospital team member's outside activities, personal financial interests, or other personal interests influence or appear to influence his or her ability to fulfill job responsibilities. A conflict of interest may also exist if the demands of any outside activities hinder or distract one from the performance of his or her job duties or cause the individual to use Hospital resources for other than Hospital business. Situations of actual or potential conflicts of interest are to be avoided at all times.

A good rule of thumb is that a conflict of interest may exist any time an objective observer may wonder if your actions are significantly influenced by your personal or financial activities or interests. If you have any question about whether an outside activity or personal interest might constitute a conflict of interest, you must obtain the approval of the Chief Compliance Officer before pursuing the activity, or obtaining or retaining the interest.

## *Gifts and Entertainment*

It is the general policy of the Hospital that neither you nor any member of your family may solicit, receive, offer or pay any money or gift that is, or could reasonably be construed to be an inducement in exchange for influence or assistance in conducting Hospital business. It is the intent of the Hospital that this policy be construed broadly such that all business transactions with vendors, contractors and other third parties are transacted to avoid even the appearance of improper activity.

Additionally, you are prohibited from making any expenditures of Hospital or personal funds for gifts, dining or entertainment in any way related to Hospital business, unless such expenditures are made in strict accordance with Hospital policies.

## Compliance Program

### *Sanctioned/Excluded Individuals and Entities*

The Hospital does not knowingly contract with, employ, or bill for services rendered by an individual or entity that is excluded or ineligible to participate in government healthcare programs, or has been convicted of a criminal offense related to the provision of healthcare items or services. We routinely search the Department of Health and Human Services' Office of Inspector General and General Services Administration's lists of such excluded and ineligible persons.

Employees, vendors, and privileged practitioners at Hazel Hawkins are required to immediately report to the Hospital if they become excluded, debarred or ineligible to participate in government healthcare programs; or have been convicted of a criminal offense related to the provision of healthcare items or services.

### *License and Certification Renewals*

Employees, individuals retained as independent contractors, and privileged practitioners in positions which require professional licenses, certifications, or other credentials are responsible for maintaining the current status of their credentials and shall comply at all times with federal and state requirements applicable to their respective disciplines. To assure compliance, the Hospital may require evidence of the individual having a current license or credential status.

Hazel Hawkins does not allow any employee, independent contractor or privileged practitioner to work in a position that requires a license or certification without valid, current licenses or credentials.

### *Substance Use*

Hazel Hawkins is committed to an alcohol and drug-free work environment. All associates conducting Hospital business must report for work free of the influence of alcohol and illegal drugs. Failure to do so may result in termination. The Hospital may use drug testing to enforce this policy.

The Hospital further recognizes that individuals may be taking prescription or over-the-counter medications which could impair their judgment or job performance. Should you have questions about the effect of such medications or should you observe a team member who appears impaired, you are required to immediately report it following your department's protocol. Please ensure you are aware of your department's reporting protocol, and should you have questions regarding this matter, please discuss them with your supervisor.

# Compliance Program

## Privacy

### *Patient Information*

In providing healthcare services, the Hospital collects and maintains patients' and guarantors' personal, sensitive information. Individuals conducting business on behalf of Hazel Hawkins are prohibited from using or disclosing this information in a manner that violates the privacy rights of our patients.

The Hospital has developed access and privacy policies and procedures consistent with state and federal privacy requirements. You are expected to adhere to these policies and procedures at all times. You have no right to access any patient information unless it is deemed necessary to perform your job duties.

### *Employee Information*

The Hospital collects and maintains personal information that relates to your employment, including medical and benefit information. Access to personal information is restricted solely to people with a need to know this information. Personal information is released outside the Hospital or to its agents only with employee approval, except in response to appropriate investigatory or legal requirements, or in accordance with other applicable law. All individuals responsible for maintaining personal information and those who are provided access to such information must ensure it is not disclosed in violation of the Hospital's policies and practices.

### *Hospital Property*

Hospital property is made available to team members exclusively for authorized business purposes and should not be used for personal reasons. Property as used in this document refers to physical assets such as office equipment, computers, software, supplies, company records, patient information and proprietary business information. Hospital property must not be removed from the premises unless it is necessary to do so to fulfill your job responsibilities. If property is removed from the premises, you must maintain it in your possession at all times and return it when no longer needed.

Hospital team members are expected to maintain and properly care for Hazel Hawkins property. If you become aware of any damaged or malfunctioning property, you should report it to the appropriate personnel. If you become aware of anyone intentionally or negligently damaging Hospital property, you should report it to your supervisor.

### *Information Security*

You should exercise due care and diligence in maintaining the confidentiality, availability and integrity of information. It is essential that each team member protect our computer systems

## Compliance Program

and the information contained in them by not sharing passwords and by reviewing and adhering to the Hospital's information security policies and guidance.

### *Electronic Media*

All communications systems, including but not limited to electronic mail, intranet, internet access, telephones, and voice mail, are the property of Hazel Hawkins and are to be used primarily for business purposes in accordance with electronic communications policies and standards.

Users of computer and telephonic systems should presume no expectation of privacy in anything they create, store, send, or receive on the computer and telephonic systems. Hazel Hawkins reserves the right to monitor and/or access electronic media usage and content consistent with policies and procedures.

Team members may not use internal communication channels or access the internet at work to post, store, transmit, download or distribute any threatening materials, maliciously false materials, obscene materials, or anything constituting or encouraging a violation of any law.

### *Social Media*

When using social media, avoid talking about patients even in general terms. Remember that an unintentional disclosure of PHI (protected health information) is still a violation of HIPAA. You should avoid posting photos of patients or anything that could be used to identify them such as notes, lab results, etc.

### *Political Activities*

Hazel Hawkins complies with all federal, state and local laws governing participation in governmental relations and political activities. Hospital funds or resources may not be contributed directly to individual political campaigns, political parties, or other organizations which intend to use the funds primarily for political objectives. Hazel Hawkins engages in public policy debate only in a limited number of instances where it has special expertise that can inform the public with relevant factual information. The Hospital encourages trade associations with which it is associated with to do the same.

Personal and corporate political activities must be kept separate in order to comply with the appropriate rules and regulations related to lobbying or attempting to influence government officials. No use of Hospital resources, including electronic mail is appropriate for personally engaging in political activity. An associate may, of course, participate in the political process on his or her own time at his or her own expense. While doing so, it is important that he or she not give the impression of speaking on behalf of or representing Hazel Hawkins in these activities.

## Compliance Program

### Recording, Reporting and Retaining Information

Each Hospital team member is responsible for the integrity and accuracy of our organization's documents, not only to comply with regulatory and legal requirements but also to ensure records are available to support our business practices and actions. You may not alter or falsify information on any record or document. Records relevant to government or other investigations must never be destroyed.

Medical and business documents and records are retained in accordance with the law and the Hospital's record retention policy. It is important to retain and destroy records only according to our policy.

### Use of Proprietary Information

#### *Proprietary Information*

Proprietary information is generally confidential information that is developed by the Hospital as part of its business and operations. Such information includes, but is not limited to, the business, financial, marketing and contract arrangements associated with Hospital services. It also includes computer access passwords, procedures used in producing computer or data processing records, personnel and medical records, and payroll data. Proprietary information also includes management know-how and processes, Hospital business and service plans; a variety of internal databases, and any copyrighted material such as software.

The Hospital alone, except for complying with specific legal requirements, is entitled to determine who may possess its proprietary information and what use may be made of it. You should not use or disclose proprietary information except as authorized by the Hospital.

#### *Inadvertent Disclosure*

The unintentional disclosure of proprietary information can be just as harmful as intentional disclosure. To avoid unintentional disclosure, never discuss proprietary information that has not been made public by the Hospital with any unauthorized person. This information includes unannounced products or services, prices, earnings, procurement plans, business volumes, capital requirements, confidential financial information, marketing and service strategies, business plans, and other confidential information.

You should not discuss confidential information even with authorized Hospital employees if you are in the presence of others who are not authorized. This also applies to discussions with family members or friends, who might inadvertently pass the information on.

## Compliance Program

### *Direct Requests for Information*

If someone outside the Hospital asks you questions about the Hospital or its business activities, either directly or through another person, do not attempt to answer them unless you are certain you are authorized to do so. If you are not authorized, refer the person to the appropriate source within the Hospital. If you receive a request for information or to conduct an interview from an attorney, investigator, or any law enforcement officer, and it concerns the Hospital's business, you should refer the request to the office of the Hospital's Chief Executive Officer.

### Marketing

The Hospital has expended significant efforts and resources in developing its services and reputation for providing high-quality patient care, including efforts involving marketing, advertising and other promotional activities. While such activities are important to the success of the Hospital, they are also potential sources of legal liability as a result of laws that regulate the marketing of health care services. It is therefore important that the Hospital closely monitor and regulate advertising, marketing, and other promotional activities to ensure that all such activities are performed in accordance with Hospital objectives and applicable law.

It is the general policy of the Hospital that no individual engage in any advertising, marketing or other promotional activities on behalf of the Hospital unless such activities are approved in advance by the appropriate Hospital representative.

## APPENDICES

### Charter Compliance Committee of Board of Directors

#### **Organization**

This charter governs the operations of the Compliance Committee of the Board of Directors of San Benito Healthcare District. The Compliance Committee shall periodically review and reassess the adequacy of this charter and recommend any proposed changes to the charter to the Board for approval. The Board's Governance Committee, in consultation with the Chairman of the Board, shall recommend members to the Board for approval for appointment to the Compliance Committee. The Compliance Committee shall be comprised of at least two directors, each of whom is independent of management and the Hospital. The Compliance Committee shall maintain minutes of its meetings and report to the Board.

#### **Policy**

The Compliance Committee shall: (1) oversee and monitor matters relating to Hazel Hawkins' compliance with applicable laws and regulations other than those relating to matters reserved for the Audit Committee, and (2) oversee matters relating to sustainability, corporate social responsibilities and corporate citizenship. The Compliance Committee shall have the authority to retain special legal, accounting or other consultants to advise the Compliance Committee. The Compliance Committee may request any associates of the Hospital, including outside counsel to attend a meeting of the Compliance Committee or to meet with any members of, or consultants to, the Compliance Committee.

#### **Areas of Oversight**

The Compliance Committee shall:

1. Provide oversight and monitoring of compliance matters.
2. Provide oversight and monitoring of implementation and ongoing execution of the Compliance Program.
3. Provide oversight of the Hospital's sustainability, corporate social responsibility and corporate citizenship policies, programs and initiatives.
4. Provide oversight of the Hospital's political activities, including the periodic review of any related policies.
5. Monitor the Hospital's efforts to implement programs, policies and procedures relating to compliance matters, and the training of employees and others on such matters.
6. Review the results of internal and external compliance-related audits.

## Compliance Program Appendices

7. Request or oversee the investigation of any significant instances or potential instances of noncompliance with the Compliance Program.
8. Review on a regular basis litigation matters filed against the Hospital related to alleged violations of laws and regulations.
9. Review on a regular basis the Hospital's Compliance Risk Assessment and Compliance Work Plan.
10. Identify and investigate emerging compliance issues, trends and risks.
11. Periodically review the Hospital's compliance oversight structure and the allocation of resources to the compliance function.
12. In consultation with the Governance Committee, conduct an annual evaluation of the performance and effectiveness of the Compliance Committee and report the results of that evaluation to the Board.
13. Have such other duties and oversight and monitoring responsibilities as may be assigned to the Compliance Committee by the Board.

While the Compliance Committee has the oversight and monitoring responsibilities and powers set forth in this charter, it is not the duty of the Compliance Committee to conduct investigations to assure compliance with laws and regulations and the Hospital's Code of Conduct.

## Compliance Program Appendices

### Education and Training Considerations

The purpose of conducting an education and training program is to ensure that each individual that functions on behalf of the Hospital is fully capable of executing his or her role in compliance with the laws, regulations, rules and standards under which the Hospital is governed.

An effective training program considers the following factors:

- Qualifications of trainers
- Training general and relevant to individuals' responsibilities
  - Ensure Coding and Billing staff receive ongoing, comprehensive focused training
- Training appropriate and adequate to cover the range of issues confronting the Hospital's associates
- Incorporation of recent changes in laws, rules, regulations and standards
- Incorporation of:
  - Key learnings from results of audits and investigations
  - Results from previous education and training programs
  - Trends from confidential Corporate Hotline reports
  - OIG, CMS or other agency guidance or advisories
- Collecting feedback from training attendees to continually improve content
- Documentation of who attended required training
- Disciplinary mechanisms for individuals failing to attend required training

Topics that should be considered for the education and training content include, but are not limited to:

- Compliance Program
- Code of Conduct
- Conflict of Interests
- Anti-Kickback Statute
- Physician Self-Referral (Stark) Law
- Exclusion Statute
- Fraud, Waste and Abuse
- Patient Privacy
  - Privacy Rule
  - Security Rule
  - Breach Notification Rule
- Record Retention
- EMTALA
- Medical Record Documentation
- Accurate Coding and Billing
- Policies Recently Implemented

## Compliance Program Appendices

### Conflict of Interest Policy and Procedures

#### Policy Statement

Hazel Hawkins expects that all employees, volunteers, and Board members (collectively referred to herein as “associates”) exercise the utmost integrity in all transactions related to their duties at the Hospital and its property. Hazel Hawkins maintains a policy of full disclosure when a potential conflict of interest exists.

A conflict of interest is any situation in which financial or other personal considerations may compromise or appear to compromise an individual’s business judgment, delivery of patient care, or ability to perform one’s job responsibilities. You should avoid situations in which a conflict of interest exists or is perceived to exist.

#### Required Standards

All decisions and transactions undertaken by an associate in the conduct of the Hospital’s business must be made in a manner that promotes the best interests of the Hospital, free from the possible influence of any conflict of interest of such associate or the associate’s family or friends. Associates have an obligation to address both actual conflicts of interest and the appearance of a conflict of interest. You must always disclose and seek resolution of any actual or potential conflict of interest, whether or not you consider it an actual conflict, before taking a potentially improper action.

No set of principles or standards can cover every type of conflict of interest. The following standards address conduct required of all associates and provide some examples of potential conflict of interest situations in addition to those discussed above.

1. You may not make or influence business decisions, including executing purchasing agreements or other types of contracts, from which you, a family member, or a friend may benefit.
2. You must disclose your “significant” (as defined below) financial interests in any entity you know to have current or prospective business, directly or indirectly, with the Hospital. There are two types of significant financial interests:
  - a. Receipt of anything of monetary value from a single source in excess of \$### annually. Examples include salary, royalties, gifts and payments for services including consulting fees and honoraria; and
  - b. Ownership of an equity interest exceeding 5 percent in any single entity, excluding stocks, bonds and other securities sold on a national exchange;

## Compliance Program Appendices

certificates of deposit; mutual funds; and brokerage accounts managed by third parties.

3. You must disclose any activity, relationship or interest that may be perceived to be a conflict of interest so that these activities, relationships and interests can be evaluated and managed properly.
4. You must disclose any outside activities that interfere, or may be perceived to interfere, with your capacity to satisfy your job or responsibilities at the Hospital. Such outside activities include leadership participation (such as serving an officer or member of the Board of Directors) in professional, community or charitable activities; self-employment; participation in business partnerships; and employment or consulting arrangements.
5. You may not solicit personal gifts or favors from vendors, contractors, or other third parties that have current or prospective business with the Hospital. You may not accept cash gifts or any value, or non-monetary gifts including meals, transportation or entertainment valued in excess of \$## annually from vendors, contractors or other third parties that have current or prospective business with the Hospital. Questions regarding the gift limitations should be directed to the Chief Compliance Officer.
6. Any involvement in a personal business venture shall be conducted outside the Hospital work environment and shall be kept separate and distinct from the Hospital's business in every respect.
7. You should not accept employment or engage in a business that involves, even nominally, any activity during hours of employment with the Hospital, the use of any of the Hospital's equipment, supplies or property, or any direct relationship with the Hospital's business or operation.
8. You must guard patient and Hospital information against improper access or use by unauthorized individuals.
9. The Hospital's materials, products, designs, plans, ideas and data are the property of the Hospital and should never be given to an outside firm or individual, except through normal channels with appropriate prior authorization.
10. You must avoid any appearance of impropriety when dealing with clinicians and referral sources.
11. All vendors and contractors who have or desire business relationships with the Hospital must abide by the applicable standards of this policy. Should you gain knowledge of vendors or contractors violating the applicable standards, you must report it to your supervisor or the Chief Compliance Officer.

## Compliance Program Appendices

12. You must not sell any merchandise on Hospital premises and you must not sell any merchandise of a medical nature that is of a type or similar to what is sold or furnished by the Hospital, whether on or off Hospital premises, unless prior approval is obtained from the Chief Compliance Officer.
13. You must not request donations for any purpose from other associates, patients, vendors, contractors or other third parties, unless prior approval is obtained from the Chief Compliance Officer.
14. You must not endorse any product or serviced without prior approval from the Hospital's Chief Compliance Officer.

### Disclosure of Potential Conflict Situations

You are required to complete a Conflict of Interest disclosure form at the following intervals:

- upon employment or affiliation with the Hospital;
- annually;
- within 30 days any time your professional or commercial relationships change;
- within 30 days any time your institutional responsibilities change;
- upon request by the Chief Compliance Officer.

You also have a continuous duty to update your Conflict of Interest information after any changes in facts that are required to be reported under this policy.

<b>4th Street</b>	1100
<b>Barragan</b>	614

Recently, all five rural health clinics at First Street, Fourth Street, San Juan Bautista, Sunset & the Barragan Health Care & Diabetes Center successfully completed site review surveys and were deemed Department of Health Care Services (DHCS) *Certified Primary Care Sites*.

The DHCS requires all participating providers of Medi-Cal Managed Care Plans to meet the required standards on the Facility Site Review and Medical Record Review Survey. Anthem Blue Cross commended the clinics for successfully completing the survey that identifies the sites, as deemed by the Department of Health Care Services, as certified quality medical sites.

Mishel Thomas, Clinic Operations Manager did an exceptional job of leading the readiness and survey activities for the clinics.

**SUBJECT: ONGOING PROFESSIONAL PRACTICE EVALUATION (OPPE)**

**POLICY:**

The Ongoing Professional Practice Evaluation (OPPE) Policy describes the process by which the San Benito Healthcare District, through the activities of its Medical Staff, evaluates the quality of care provided by practitioners who have been granted clinical privileges by utilizing evidence-based medical practice standards and guidelines. All information related to the OPPE process is considered privileged and confidential in accordance with state and federal laws relating to peer review and other protections.

**PURPOSE:**

The purpose of the Ongoing Professional Practice Evaluation (OPPE) is to assess and monitor on an ongoing basis the clinical competence and professional behavior of practitioners who have been granted clinical privileges at the San Benito Healthcare District, and to use the outcomes of the assessment to improve the quality of patient care. OPPE information is factored into the decision to maintain, modify or revoke existing clinical privileges. It is also used when appropriate to recommend further evaluation such as a Focused Professional Practice Evaluation (FPPE).

**DEFINITIONS:**

- A. Ongoing Professional Practice Evaluation (OPPE) is data collected for the purpose of assessing a practitioner's clinical competence and professional behavior. Through this process, practitioners received feedback for potential improvement or confirmation of achievement related to the effectiveness of their professional practice in all practitioner competencies.
- B. Focused Professional Practice Evaluation (FPPE) is the focused evaluation of practitioner competence in performing a specific privilege or privileges. This process is implemented for all initially requested privileges, and whenever a question arises regarding a practitioner's ability to provide safe, high-quality patient care as identified through OPPE or other processes. See Focused Professional Practice Evaluation policy.

**GUIDELINES:**

- A. All practitioners who have been granted clinical privileges will be reviewed through the OPPE process.
- B. The OPPE category elements may include, but are not limited to the following:

- **Patient Care:** Practitioners are expected to provide patient care that is compassionate, appropriate, and effective for the promotion of health, prevention of illness, treatment of disease, and care at the end of life.
  - **Medical/Clinical Knowledge:** Practitioners are expected to demonstrate knowledge of established and evolving biomedical, clinical, and social sciences and the application of their knowledge to patient care and the education of others.
  - **Practice-Based Learning and Improvement:** Practitioners are expected to be able to use scientific evidence and methods to investigate, evaluate, and improve patient care practices.
  - **Interpersonal and Communication Skills:** Practitioners are expected to demonstrate interpersonal and communication skills that enable them to establish and maintain professional relationships with patients, families, and other members of health care teams.
  - **Professionalism:** Practitioners are expected to demonstrate behaviors that reflect a commitment to continuous professional development, ethical practice, an understanding and sensitivity to diversity, and a responsible attitude toward their patients, their profession, and society.
  - **Systems-Based Practice:** Practitioners are expected to demonstrate both an understanding of the contexts and systems in which health care is provided, and the ability to apply this knowledge to improve and optimize health care.
- C. Each Medical Staff Department or Division will approve the OPPE indicators for its own clinical specialty area. The Medical Executive Committee (MEC) will also approve the OPPE indicators for each clinical specialty area through approval of this policy.
- D. An OPPE Report containing the practitioner's performance for the approved indicators for the practitioner's clinical specialty area will be created at a minimum of every 12 months.
- E. Each OPPE Report will be reviewed by the practitioner's respective Department Chair. OPPE Reports for the Department Chairs will be reviewed by the Department Vice Chairs. If the Department Chair or the Department Vice Chair is unable to review a particular report, the Chief of Staff or Chief Medical Officer will review the OPPE Report. The person reviewing the OPPE report will be considered the "Report Reviewer".
- F. If an OPPE Report contains any of the following triggers, the OPPE Report will be forwarded to the Medical Executive Committee with any comments from the OPPE Report Reviewer for consideration of initiation of a FPPE or other appropriate action for the practitioner:
1. Two (2) or more cases that have been assigned a Case Review Outcome Score of 4 ( Inappropriate or Reckless Care) through the Medical Staff Peer Review process relating to the practitioner's performance, OR
  2. Three (3) or more events, including validated patient grievances, complaints or behavioral events, relating to the practitioner's performance (excludes elopements and against medical advice (AMA) events), OR
  3. Any significant trend as identified by the OPPE Report Reviewer.

G. If an OPPE report is determined to be acceptable by the OPPE Report Reviewer, the OPPE Report will be signed and filed. In addition to the annual OPPE process, OPPE reports will be included at the time of reappointment.

H. Determining if a practitioner is Low/No Volume: A practitioner is considered to be low/no volume if they have the following total patient volumes during their 12 month OPPE cycle:

<u>Staff Status</u>	<u>Patient Volume</u>
<u>Courtesy</u>	<u>Needs at least 1 patient volume</u>
<u>Consultant</u>	<u>Needs at least 1 patient volume</u>
<u>Active</u>	<u>Needs at least 3 patient volumes</u>

G. —

I. Collecting Information on Low/No Volume Practitioners: For a provider who does not meet the volume requirements for the cycle, a peer reference and/or activity will be requested from a facility where the practitioner is more active.

- a. The Peer Reference can be from another practitioner who has worked with the provider during the last 12 months and who is within the same scope of practice, or can attest to the provider's clinical abilities with the privileges held.
- b. For a request for an inpatient provider from another accredited institution, a list of activity/procedures or complete OPPE cycle will be obtained. The data must be the same date range as the OPPE cycle.
- c. For a request for an outpatient provider, a list of activity/procedures within the same type of setting will be obtained. The data must be the same date range as the OPPE cycle.

— Should a practitioner fail to provide the activity report or peer reference requested for low/no volume by the date specified in the request, the practitioner will be deemed a voluntary resignation.

J.

— Telemedicine OPPE Cycle: The medical staff will provide the distant site with an annual OPPE review of each telemedicine provider that has been credentialed by proxy. At a minimum, this will include volumes for the cycle, information about any adverse outcomes related to telemedicine services provided, and any complaints from patients or staff at the originating site about a telemedicine practitioner.

**PCO'S FIRST INTERIM REPORT**

14  
15 Jerry Seelig, in his capacity as Patient Care Ombudsman (the "PCO")<sup>1</sup> and under 11  
16 U.S.C. section 333(a)(1), files this First Interim Report (the "Report"). Pursuant to Bankruptcy  
17 Code section 333, the PCO is monitoring the quality of patient care for any significant decline or  
18 material compromise. To complete to the best of their ability an in-depth monitoring effort, the  
19 PCO has prior to filing this Report visited all the Debtor's facilities and operating units and  
20 worked in a cooperative manner with Debtor's managers to obtain needed documents, materials,  
21 and financial reports.

22 These visits, interviews, and the PCO's experience and qualifications have enabled the

23  
24 <sup>1</sup> Unless otherwise indicated, use of the term "PCO" will collectively refer to Mr. Seelig, his  
25 firm Seelig+Cussigh HCO LLC ("S+C"), and the consultants retained by S+C. In conjunction  
26 with discharging his duties and preparing this report, the PCO has directed and supervised  
27 professionals from S+C. Mr. Seelig and the consultants' resumes are attached hereto as Exhibit  
28 A. In summary, Richard Cussigh focused on Medical Records, Health Insurance Portability and  
Accountability Act ("HIPAA") and subsequent rules-regulations issues, Lisa Grod Ph.D. focused  
on the skilled nursing facilities ("SNFs"), Jody Knox R.N. focused on all units of the Hospital  
and Clinics, and Sean Drake focused on supplies, facilities, and patient life and safety regulatory  
compliance and quality.

PCO'S FIRST INTERIM REPORT

1 PCO to provide the Court with an accurate assessment of patient care at the Debtor's facilities.  
2 Should the Court so desire, the PCO will notice and schedule a hearing and be available to answer  
3 any questions and report in greater detail.

4 This Report contains the following categories of information:

- 5 **I. THE PCO'S MONITORING METHODOLOGY and SCOPE**
- 6 **II. EXECUTIVE SUMMARY**
- 7 **III. THE PCO'S MONITORING BY OPERATING UNIT**
- 8 **IV. THE POTENTIAL FOR COMPROMISE TO CARE**
- 9 **V. NEXT STEPS FOR THE PCO**

8 **I. THE PCO'S MONITORING METHODOLOGY and SCOPE**

9 **A. Methodology**

10 Following Mr. Seelig's appointment, the PCO implemented a cost-effective plan to visit  
11 and monitor the Debtor's patient care and safety at the Debtor's dispersed facilities. The PCO  
12 received strong support from the Debtor's management, the corporate senior executives engaged  
13 in supporting the facilities, and facility-level administrators and caregivers. Among other things,  
14 the PCO:

- 15 1. Interviewed the following: (i) the Debtor's CEO, (ii) the CFO, (iii) the  
16 Director of Provider Services & Clinic Operations; (iv) the interim corporate Chief Nursing  
17 Officer ("CNO"); (v) the Clinic Operations Manager; (vi) the Director of Nursing ("DON") at  
18 each facility; (vii) key corporate managers, including for all facilities; (viii) the system-wide  
19 Quality Assurance Director, (v) physicians; (vi) the Quality Assurance-Performance  
20 Improvement Director at each facility visited by the PCO; (vii) the Director of Quality Assurance,  
21 Risk Management, Accreditation, and Regulatory Compliance; (viii) the key administrator and  
22 senior managers at each facility visited; (ix) the revenue cycle manager  
23 who is in billing and collection activities; (x) nurses; (xi) other caregivers; (xii) Department  
24 Managers responsible for key care components including but not limited to Infection Control,  
25 Medical Records-Health Information Systems, Physical Plant-Facilities, (xiii) the Directors of  
26 Laboratory, Radiology, Physical Therapy; and (xiv) other knowledgeable parties. Importantly, at  
27 each facility the PCO attended clinical care and revenue cycle meetings.

28

1                   2.       Reviewed each facility’s internally prepared documentation of patient care  
2 and incidents (“incident reports”) to identify patients harmed and then research specific patient  
3 charts and care components. Concurrent with review of the specific incident reports, the PCO  
4 critically examined both the specific-facility and system-wide efforts regarding peer review and  
5 performance improvement programs.

6                   3.       Reviewed liability-risk, staffing, compliance, and contracting for clinical  
7 and nonclinical materials/supplies/temporary staffing documents at the facility and corporate  
8 level.

9                   4.       Conducted a comprehensive examination of reported state and federal  
10 quality measures, including each facility’s Joint Commission Surveys<sup>2</sup> and any federal or state  
11 agency Statements of Deficiencies and Plans of Corrections for the past two-years.<sup>3</sup>

12                  5.       Took extensive notes documenting interviews and in-depth review of  
13 relevant documents, prepared, and analyzed facility-specific reports, and distilled all that into the  
14 PCO’s reports to the Court.

15

17       <sup>2</sup> All hospitals, nursing homes, and certain other health care providers that receive funds from  
18 Centers for Medicare and Medicaid Services (“CMS”) are surveyed and the deficiencies and then  
19 the corrections are reported using Form 2567; definitions are found at:  
20 [www.altsa.dshs.wa.gov/professional/nh/documents/Definitions.pdf](http://www.altsa.dshs.wa.gov/professional/nh/documents/Definitions.pdf) In all states the JOINT  
21 COMMISSION, the State and the CMS share all survey and accrediting information. The JOINT  
22 COMMISSION conducts “surprise survey visits” no less than every three years to investigate all  
23 aspects of patient care and safety. At the conclusion of the survey, the JOINT COMMISSION  
24 provides the Hospital with a detailed report on deficiencies and demand for correction for each  
25 deficiency found. In all federal and state surveys, deficiencies are illustrated on a two-column  
26 form (CMS FORM 2567) with deficiencies cited on the left column and the right-hand column  
27 left blank for the respondent to provide within ten working days a plan of correction for each  
28 deficiency. All submitted forms “Post submission and acceptance of plans of corrections, both the  
JOINT COMMISSION survey documents and Statements of Deficiency and Plans of Correction”  
are public and will be provided to the Court if requested.

COMMISSION ACCREDITATION CATEGORIES relevant to the Debtors is; “**Accredited** is  
awarded to a health care organization that is in compliance with all standards at the time of the  
on-site survey or has successfully addressed requirements for improvement in an Evidence of  
Standards Compliance within 60 days following the posting of the Accreditation Summary  
Findings Report and does not meet any other rules for other accreditation decisions.

1           6.       Most recently, the PCO gained access to reports and memorandum  
2 prepared by the corporate quality assurance, compliance, and other senior facilities' directors. The  
3 PCO has been able to initially assess and report on these reports, materials, and data. The PCO  
4 will continue off and on site to review and analyze this and other requested reports/materials/data  
5 over the coming weeks. Please refer to Section IV for further discussion of this topic; this activity  
6 is also cited as "a PCO next step" in this Report's conclusion.

7 **II. EXECUTIVE SUMMARY**

8           The Executive Summary Section offers the Court in summary form a review of each of  
9 the Debtor's operating units, which are: the Hospital; the Rural and Specialty Clinics; and the  
10 Skilled Nursing Facilities. In concluding this section, the PCO employed the standards set by 11  
11 USC section 333 to:

- 12           ● Determine the security and availability of medical records and supporting materials,  
13           *which in summary the PCO assessed as being maintained as required by their*  
14           *respective policies and available for patients' continuity of care.*
- 15           ● Determine whether there has been a post-petition decline in or material compromise to  
16           care, *which in summary the PCO has assessed that there was no post-petition*  
17           *decline or compromise to care.*
- 18           ● Determine the potential compromises to care, *which in summary the PCO has*  
19           *identified specific instances where there is potential for compromise to care.*

20 **A. The Debtor's Health Care and Long Term Care Facilities**

21           The Debtor provides a wide range of integrated health care, social welfare, and long-term  
22 care services across multiple sites on and off the main "Hospital campus." To support the Court's  
23 understanding of a complex care provider, we quote with supplemental supporting materials,  
24 descriptive information found in the "DECLARATION OF MARY CASILLAS IN SUPPORT  
25 OF EMERGENCY FIRST DAY MOTIONS"<sup>4</sup> ("Casillas Declaration").

26           The Hospital: "The District operates the 25-bed acute care Hospital at the District's main

1 campus, located at 911 Sunset Drive, Hollister, California. The Hospital is licensed for 6  
2 perinatal, 4 intensive care, and 15 general acute care beds. The emergency department includes 3  
3 large trauma bays, 16 private rooms, and helipad access. The Hospital is currently designated as a  
4 “Critical Access Hospital” (“CAH”)<sup>5</sup> by the Centers for Medicare and Medicaid Services  
5 (“CMS”)<sup>6</sup>. Limited to 25-beds and mandated to provide certain key health and social welfare  
6 services, “The CAH designation is designed to **reduce the financial vulnerability** of rural  
7 hospitals and **improve access to healthcare** by keeping essential services in rural communities.”  
8 Notably, the average Emergency Room census of 65-80 patients is well above the average for  
9 hospitals serving a similar size Primary Service Area. The PCO believes this is indication of both  
10 the community’s need for and a willingness to use local Emergency Services; additionally, a  
11 census of the size financially supports other services and serves as a viable and vital referral to the  
12 Hospital, Clinics, and SNFs.

13 **The Rural and Specialty Clinics:** “The District operates five rural health clinics  
14 commonly known as Hazel Hawkins Health Clinic, San Benito Community Health Clinic,  
15 Barragan Family Health Care and Diabetes Center, Mabie First Street Healthcare Center, and  
16 Mabie San Juan Road Healthcare Center (collectively, the “Rural Health Clinics”). The Rural  
17 Health Clinics offer primary and specialty care, diabetes services, and laboratory services. The  
18 Rural Health Clinics saw 51,140 patient visits in Fiscal Year 2022<sup>7</sup>. The following quote from  
19 the leading Rural Health policy/programming publication accurately describes the Rural Health  
20 Clinics’ value to its community: “The Rural Health Clinic (RHC) program is intended to increase  
21 access to primary care services for patients in rural communities. RHCs can be public, nonprofit,  
22 or for-profit healthcare facilities....RHCs are required to provide outpatient primary care services,  
23 basic laboratory services, and be able to provide “first response” services to common life-  
24 threatening injuries and acute illnesses. The main advantage of RHC status for rural providers is

1 enhanced reimbursement rates for providing Medicare and Medicaid services<sup>8</sup>.”

2       **The Skilled Nursing Facilities (“SNF”)**: “The District operates two skilled nursing  
3 facilities, commonly known as Mabie Northside Skilled Nursing Facility (“Northside”) and  
4 William & Inez Mabie Skilled Nursing Facility (“Southside” and, together with Northside, the  
5 “Skilled Nursing Facilities”). Collectively, the Skilled Nursing Facilities are licensed for 119  
6 beds. In Fiscal Year 2022, Northside had an average daily census of 38.36 equaling a total of  
7 14,002 patient days and Southside had an average daily census of 43.95 equaling a total of 16,042  
8 patient days. This represented an annual increase in average daily census in each facility as  
9 compared to fiscal year 2021.”<sup>9</sup> Maintaining access to quality long term care close to the  
10 resident’s family and friends is an issue that the PCO has been closely engaged in both as  
11 program director, consultant, and policy expert; the following quote from the leading Rural  
12 Health policy/programming publication accurately describes the Debtor’s SNF’s value to its  
13 community: “A scarcity of long-term care facilities and healthcare providers in rural communities  
14 can cause hardship and difficult choices for individuals and their families. In such cases, people  
15 who need long-term care must decide, in consultation with their families and other caregivers, if  
16 home care is possible or if relocation to a facility outside of their community is necessary. A  
17 move to another community can be stressful, and family members might not be able to visit as  
18 often as they would like. Communities also experience economic loss and diminished social  
19 connections when people leave.”<sup>10</sup>

20       **B.       The PCO Assessment**

21               1.       Health Insurance Portability and Accountability Act (“HIPAA”)

22 Compliance:

23       The patient’s medical record is a means of communication between providers as to health  
24 status, preventive health services, treatment, planning, and delivery of care and are an indicator of

1 timeliness of required medical records, forms, and statements. The purpose of this review was to  
2 determine whether patient record documentation was being maintained at the time of our review  
3 to support quality and continuity of care. These tests included a review of the Debtors' internal  
4 medical record policies, and those internal requirements were used to structure elements included  
5 in our test samples.

6 Medical records were selected from all three of the Debtor facilities to include the  
7 hospital, clinics, and nursing homes. A contemporaneous review was conducted to test the current  
8 maintenance of the medical record requirements at each of these operations. The hospital's  
9 Meditech system was tested for patients admitted between September 7<sup>th</sup> and September 11<sup>th</sup>,  
10 2023, and all tested reports were filed and timely. Resident medical records kept in the nursing  
11 home PointClickCare, and all resident records requirements selected were found in the system  
12 and timely. Finally, clinic records were tested in their eClinicalWorks system for patients  
13 scheduled the morning of September 18, 2024, the date of the test. All progress notes were found  
14 for patients scheduled for that morning. The Debtor's use of electronic health information  
15 systems is being used effectively and it appears that they have good compliance of their medical  
16 record maintenance obligations. Patient medical records from all facilities and units visited by the  
17 PCO were sampled to test for the existence and timeliness of required medical records, forms, and  
18 statements.

19 These tests, further chart review, and observation by the PCO indicated ***that the Hospital,***  
20 ***SNFs, and Clinics both maintained medical records as required by their respective policies on***  
21 ***a timely basis; and that the Debtors are meeting the requirements for providing***  
22 ***information/documents needed for patient continuity of care.***

23 2. Assessment the Key Factors Preventing Compromises to Care  
24 a) The Debtor's Interim CEO and Chief Responsible Officer is  
25 ***qualified and an experienced professional*** who has served in that role for approximately six  
26 months. She has been actively involved in the hospital in various paid and volunteer roles for  
27 many years. The Hospital Board and key community parties in interest requested that she take on  
28

1 this role due to her extensive knowledge of the hospital and her professional expertise for less  
2 than two years prior to the filing of the bankruptcy. Importantly, the Chief Financial Officer, The  
3 Director of Provider Services & Clinic Operations, the SNF operations director, Medical Director,  
4 Emergency Department (“ED” or “ER”) Director and other key leaders have been at the Debtor  
5 for no less than 15 years; we believe based on interviews and materials review that the bring to  
6 the Debtor both the required knowledge of the Managing Entity and/or their operating  
7 unit/department’s operations and strong professional credentials. Over the past year, the Debtor  
8 expanded its team of needed and in some instance required professionals to provide support to the  
9 Hospital, the SNFs, and Clinics in critical roles including Chief Nursing Officer, Director of  
10 Quality Assurance, Risk Management, Accreditation, and Regulatory Compliance; Comptroller;  
11 Revenue Cycle Director; Infection Control/Disaster Preparedness Director; Director of Facilities;  
12 and others professionals whose work has based on our initial review and research supports the  
13 Debtor’s patient care and safety. **b) Medicare certification, accreditation by Joint Commission,  
14 and other regulatory bodies** established standards of patient care and safety and conduct frequent  
15 on-site surveys<sup>11 12</sup> Jointly, the Debtor’s Hospital and Clinics, and separately its laboratories have  
16 in the past twelve months had their in-depth Joint Commission survey (“JOINT COMMISSION  
17 Unannounced Full Event Report”). In summary:

- 18 ● The Debtor’s hospital and Clinics have maintained their accreditation with  
19 comparatively few deficiencies to correct. The Debtor’s Laboratories have  
20 maintained their accreditation with comparatively few deficiencies to correct.
- 21 ● With the full cooperation of the Debtor, the POC to the best of their ability and  
22 given the time an available have reviewed and discussed with the Debtor the  
23 Medicare certification and any Statements of Deficiency and Plans of Corrections,

5 The PCO has initiated the process of reviewing survey results at each of the  
6 Debtor's operation units and will report to the Court in their next 60-Day Report.

7 b) Based on the PCO's interviews and an extensive on-site review, the  
8 PCO believes that the Debtor's leadership have acted to maintain required levels of staffing,

7 **III. REVIEW OF THE PCO'S MONITORING BY OPERATING UNIT**

8 **A. THE HOSPITAL AND ITS KEY OPERATING UNITS' SYSTEM REVIEW**

9 The Hospital's System Review, which included its key operating units effort, was led by  
10 Jody Knox MHA, BS, RN, who is a highly skilled health care administrator who has served as a  
11 hospital CEO, senior manager in large health care provider organizations, and who has extensive  
12 experience in clinic operations.

13 Upon appointment, the PCO requested and received key documents from the Hospital's  
14 Leadership. After reviewing the documents, the PCO conducted initial zoom interviews with the  
15 Hospital's leadership team with the purpose of reviewing key indicators to determine if there is  
16 any significant decline in the quality of care. The participants were provided a preliminary agenda  
17 from which to prepare and provide initial responses that were reviewed during the meeting.

18 1. Methodology Employed and Review of the Hospital and its Operating Unit

19 a) The PCO conducted a campus tour that included all patient care  
20 areas as well as many, not all areas needed to support patient care. These appeared to be clean,  
21 free from debris, hallways clear, ceiling tiles were clean and fire extinguishers that were  
22 randomly checked were tagged appropriately.

23 b) Prior to being on-site the PCO reviewed several policies: Infection  
24 Prevention (2023-2024) and Control and Quality Improvement (2022). These are current;  
25 however, the Quality Improvement Plan is dated 4/5/2022 and contained therein is to be updated  
26 and approved by the District Board annually. Both Plans appear to address the needed regulatory  
27 components. The hospital uses the MIDAS system for reporting of occurrence reports and all staff  
28

1 have access and are encouraged to input information as appropriate. The PCO will be delving  
2 further into this as well as validating the Plan against what is communicated to leadership and the  
3 Board at the next on-site visit.

4 c) The PCO attended the morning safety round where department  
5 directors and leadership reported out statistics that included but was not limited to census,  
6 admissions, expected surgical cases, expected discharges, unusual occurrences, known hospital  
7 acquired occurrences (CAUTI, HAI, CLABSI, etc.). During this time they also speak toward any  
8 equipment issues, which is a good practice. This daily meeting is a good communication  
9 mechanism.

10 d) While rounding in the various hospital departments, the PCO  
11 randomly reviewed medical and patient care equipment for current biomedical checks and  
12 appropriate tags. Those reviewed were found to be compliant.

13 e) The PCO randomly reviewed patient care supplies and medications  
14 for expiration dates and those reviewed were found to be compliant.

15 f) The PCO made rounds in the following departments:

16 ● OB/Women's Health

17 Review of this OB unit and a cursory review of the C-Section room  
18 demonstrated an LDRP suite fully operational, including neonatal recitative  
19 equipment appropriate for a CAH. There is a pediatric hospitalist available  
20 24/7 and they have appropriate OB call coverage.

21 ● Dietary

22 Review of the dietary department demonstrated a clean and orderly  
23 department. The PCO interviewed staff regarding patient diet needs and  
24 how they managed the differing supplements, types of diets and various  
25 diet restrictions – all were answered without hesitation. The lead dietary  
26 person was interviewed about the interaction between the department and

the clinical dietician and there appears to be a high level of interaction to meet the needs of the patients.

- **Materials Management**

The PCO walked the department and had a lengthy discussion with the leader regarding any difficulty obtaining supplies either during COVID crisis time or under the organization’s current financial concern. The leader discussed how they have managed to work their vendors to negotiate payment terms when needed. The leader also discussed how they have used other sourcing methods, other than their GPO, i.e. Amazon, to obtain supplies, when their backs were against the wall. Further review in this department demonstrated a robust *first in - first out* (“FIFO”) and rotation method to be sure that stock does not expire and that expired supplies/materials are checked regularly.

- **Environmental Services**

The PCO met with the lead of the EVS department who is proud of the team she leads as well as the service her team provides. The lead was able to fully describe the method by which each area the team is responsible for is validated for cleanliness. The EVS department has adopted the EcoLab system for environmental cleaning, using the Fluorescent Marker Assessment Tool, a best practice among health care organizations.

- **Medical/Surgical Unit**

The PCO rounded in this area and did a cursory review of the area to see that the organization uses an OmniCell for supply control and distribution

and a Pyxis system for medication control and distribution. The PCO also reviewed one unoccupied patient room.

- Pharmacy/IV Admixture Room

The PCO met with the pharmacist on duty at the time of the visit, who explained this is a contracted service through Cardinal Health. All employees in this department are employed through Cardinal, including the director. It was explained that this is a unit dose department, that the hospital/organization is a 340b<sup>16</sup> program recipient. Medications and supplies are ordered via McKesson via the hospital under the direction of the pharmacy department. Controlled substances are in order; the IV admixture hood meets compliance standards. The pharmacist stated that the hood is rarely used as most items in the pharmacy are in “admixture” containers that are premixed by and then come directly from the supplier.

- Laboratory

An in-depth tour with the lab director occurred. The director stated that they have recently received some new equipment and that they are expecting new equipment. The director was detailed in the accounting of how validations occur prior to putting any new equipment or reagents into use. A random review of biomedical tags found these to be compliant. It was interesting to note that most of the laboratory tests run, are outpatient

The PCO reviewed the radiology department with the director and working manager. Clinician licenses were posted. MRI signage was visible. They have a fully functional PACS<sup>17</sup> system that is accessible in the clinics.

- Sterile Processing
- GI and Scope Processing
- Registration
- Case Management

4 **B. THE RURAL CLINICS' SYSTEM REVIEW**

5 The Clinics' System Review effort was led by Jody Knox MHA, BS, RN, who is a highly  
6 skilled health care administrator who has served as a hospital CEO, senior manager in large  
7 health care provider organizations, and who has extensive experience in clinic operations.

8 Upon appointment, the PCO requested and received key documents from the Clinic  
9 Leadership. After reviewing the documents the PCO conducted initial zoom interviews with the  
10 clinic leadership team of the Rural Health & Specialty Clinic operations with the purpose of  
11 reviewing key indicators to determine if there is any significant decline in the quality of care. The  
12 participants were provided a preliminary agenda from which to prepare and provide initial  
13 responses that were reviewed during the meeting.

14 1. Assessment Made from Document Review of the Rural Clinics

15 a) Prior to the initial zoom meeting, the PCO reviewed the most recent  
16 Joint Commission accreditation report (June 2021), the July 2023 Lab Joint Commission  
17 accreditation report, and the July 2023 Radiology MQSA inspection, however neither the Quality  
18 Assurance Performance Improvement nor the Infection Prevention plan were available prior to  
19 the interview. At the initial and subsequent meetings on and off premises, attendees were very  
20 pleasant, cooperative, and engaged. Key tasks completed were, but not limited to:

21 b) Along with the reviewing that responses provided by the  
22 interviewees to the questions and delving further into those, the PCO asked about staffing,  
23 education of staff, patient care, other directors making rounds i.e., ICP, EOC, Pharmacy.

24 c) The PCO inquired as to how language barriers are addressed.

25 d) Remote Chart review occurred during the interview, specifically  
26 looking at immunization, chart documentation, chart completion, interpreter documentation,  
27 medication reconciliation and administration.

28

1 e) The PCO sought information as to the Debtor's performance during  
2 the COVID-19 outbreak. Key issues, such as the screening process, how they transitioned to  
3 tele/video visits, and how they remain on telehealth/video visits today were addressed.

4 f) Based on interviews and on-site independent and in-depth review,  
5 the PCO believes that the Debtor's Clinics are not having any issues obtaining supplies or  
6 medications. They have a functioning and inspected Vaccine For Children Program ('VFC'),  
7 which provides many of the needed vaccines for pediatric patients.

8 2. Assessment Gained From Rounding at the Clinics:

9 Based on the PCO's site in-depth review by the PCO with the support of caregivers  
10 (rounding') and our on and off-site review of documents/materials, our assessment of key  
11 indicators of patients care and safety is as follows:

12 a) All the clinics to be in good repair, medications and sharps were  
13 locked, and there was no pattern of expired medications found. Sharps containers were at the  
14 appropriate level, hazardous waste was contained, and supplies/medications were adequate per  
15 site visited.

16 b) The Clinics have a state funded Vaccines for Children program and  
17 they are in compliance and regularly inspected.

18 c) Interviews with staff were found that they could articulate infection  
19 prevention and patient safety practices in compliance with regulatory standards.

20 d) Discussions with leadership regarding their quality indicators  
21 involved how they identified items to monitor. There is a mechanism to report these through the  
22 quality improvement committee and it is done once per year.

23 e) There is a mechanism to review policies on an ongoing basis. For  
24 the most part they adhere to the hospital-wide policies with clinic specific additions as needed.

25 f) The clinics use MIDAS system for reporting of occurrence reports  
26 and all staff have access and are encouraged to input information as appropriate.

27 *Based on the PCO's interviews before, during, and on their September site visit; pre-visit,*  
28

1 on site, and post-visit requests documents/materials, prior and on-going review of  
2 documents/materials; the PCO assessment is that the Clinics are providing high quality patient  
3 care and safety with staff and leadership exhibiting a strong commitment to provide cost  
4 efficient and effective care. The PCO, in this Report and in meetings with the Hospital and the  
5 Clinics' Leadership and Managers, identified specific deficiencies that offer a potential for  
6 compromise to care that need remediation. We believe that the Debtor will engage in a strong  
7 remediation effort, which will be monitored by the PCO and reported to the Court in a timely  
8 manner.

9 C. THE SKILLED NURSING FACILITIES' SYSTEM REVIEW

10 The Debtor operates two Skilled Nursing Facilities (SNFs), Mabie Northside Skilled  
11 Nursing Facility ("Northside") and William & Inez Mabie Skilled Nursing Facility ("Southside"),  
12 which are in separate buildings on the north and south side of the Hospital main campus.  
13 Although they have separate state and federal licenses, they are led by the Hospital's key  
14 executives and the Hospital revenue cycle department provides key financial, billing and  
15 collecting, and other management services. The SNFs employ their own EMR, yet staff can  
16 readily access the other operation units EMRs and databases. We in this section and throughout  
17 the Report refer to the facilities as the "SNFs."

18 Upon appointment, the PCO requested and received key documents from the Skilled  
19 Nursing Leadership. The SNF assessment effort was led by Lisa Grod Ph.D. a licensed nursing  
20 home administrator with extensive experience in skilled nursing operations.

21 After reviewing the documents the PCO conducted initial zoom interviews with the  
22 leadership team of the SNF operations with the purpose of reviewing key indicators to determine  
23 if there is any significant decline in the quality of care. The participants were provided a  
24 preliminary agenda from which to prepare and provide initial responses that were reviewed  
25 during the meeting. For the three days that the PCO spent at the SNF in September, meetings  
26 were held with the executive and senior leadership teams daily.

27 1. On Site Interviews and Expert Observations  
28

1 a) **Resident Rounds:** In depth interviews with residents “Resident  
2 Rounds” were conducted at Mabie Northside Skilled Nursing Facility (“Northside”) and William  
3 & Inez Mabie Skilled Nursing Facility (“Southside”) and followed by Interdisciplinary Team  
4 Meetings (IDT) providing daily reports and updates on every resident residing in both SNF’s  
5 during the onsite visit.

6 b) **Facility Rounds** were made with The Infection Preventionist that  
7 included resident rooms & bathrooms, laundry, dietary during tray pass, reviewed random  
8 sanitation of kitchen: calibration of thermometers, temperature logs for refrigerators and freezers,  
9 labeling and dating of open food items, and disaster supplies.

10 c) **The PCO observed as to Resident Care** that The Northside and  
11 Southside facilities were free of odors and the residents were observed to be in activities,  
12 participating in Rehab, up in their wheelchairs (in and out of rooms), or resting in bed depending  
13 on the time of day.

14 d) The PCO met with the SNF IP (infection Preventionist) and The  
15 Debtor’s Director for Infection Prevention and Disaster Preparedness. The PCO conducted in  
16 depth reviews with those individuals and has recently received a copy of the June 2022 CDPH  
17 survey to review.

18 e) **Meetings** were held with Interim DON, staff, and Registered  
19 Dietician. Meetings included discussions of MDS and documentation, Quality Measure Reports,  
20 Weight Variance Meetings, Dining Program, Pressure Ulcer Reports, Pharmacy review including  
21 Antipsychotics, Antidepressants, and Antianxiety/Hypnotics and Medication Errors, Incident

3 f) **Billing and Financial Review:** P & Ls were reviewed along with  
4 collections. The PCOs attended a billing meeting with the Northside and Southside SNF team  
5 consisting of Physical therapy, Assistant Administrator for each building individual, Director of  
6 Billing and other billing department members.

7 g) **Policies on theft and loss, grievances, sanitation rounds of Kitchen,**

10 h) **Electronic Medical Record:** The Debtor employs several EMR  
11 systems within the SNFs’ organization. Point Click Care (PCC) is utilized by the SNF’s to  
12 document Resident care and create reports related to resident care. Incident reports, Care Plans,  
13 MDS, medication management, treatment, dietary plans, and monitor quality measures affecting  
14 the residents. Midas another EMR is used by staff members to document incidents - currently

3 The outpatient Rehab department is on Web PT, an EMR system to capture Therapy minutes.

4 i) **Rehabilitation:** A meeting with the Rehab Director took place in  
5 the Outpatient Clinic to discuss the staffing needs of qualified therapists, the increased  
6 cancellation rates of patients post discharge from hospital for therapy, and an improved EMR to  
7 capture Inpatient, Outpatient and SNF rehab minutes independently.

8 j) **Staffing:** As with many health providers nationally and locally,  
9 staffing continues to be an issue in the SNF and the Hazel Hawkins Physical Therapy &  
10 Rehabilitation Service (“OutPatient Rehab”) Center. In the SNF, the preference is to provide  
11 overtime to working staff and to minimize using registry unless necessary. The OutPatient Rehab  
12 Center currently uses traveling (“registry”) nurses. At the time of this meeting. The PCO was  
13 unable to review the annual staffing audit done by CDPH.

14 k) **Covid Testing** Procedures for covid testing in the SNF is based on  
15 symptoms only at this time and Return to Work policy follows the CDC guidelines as “may  
16 return to work after five days and be masked if no symptoms or fevers. The visitor policy is to  
17 wear a mask, take temperature and document in the logbook.

18 l) **QAPI:** The PCO received a document for QAPI in the SNF that  
19 addresses the monthly required committee meetings quarterly: QAPI, Infection Control &  
20 Antimicrobial Stewardship Program, and the Pharmaceutical Service Committee. Annual meeting  
21 to review Patient Care Policy and Pharm Committee. The PCO received a copy of a July QAPI  
22 meeting, yet those notes did not meet the standards of reporting whether the action plan was  
23 working or needed to be modified to attain QAPI goals.

24 m) **Infection Prevention and Disaster Preparedness:** The PCO met  
25 with MH the Director to discuss the IP program and training of the newly hired IP LVN for the  
26 SNF’s. The Emergency Disaster Preparedness Program is being updated and is a work in  
27 progress. There are 10 generators on the HHMH site. A discussion was held on shelter in place

16 **IV. SYSTEMIC POTENTIAL FOR COMPROMISE TO CARE**

17 The PCO concludes a review of those factors that threaten daily patient care and safety by  
18 reporting on what the PCO believes based on their monitoring and experience are the systemic  
19 challenges the Debtor faces in preventing compromises to care.

20 **A. Financial Factors Shaping the Debtor's Operations**

21 **B. Community Involvement and Support**

22 **C. Implementing a Viable and Vital Quality Assurance and Performance**  
23 **Improvement Program**

24 **D. Interoperability: The Appropriate and Safe Sharing of Patient**  
25 **Information**

26 **A. Financial Factors Shaping The Debtor's Operations**

27 The factors that lead to a health care provider bankruptcy are a concern for the PCO if  
28

1 they impact Debtor’s patient care and safety. As to this Debtor, the Declaration of its CEO stated  
2 two key factors leading to Debtor’s lack of liquidity:

- 3 • “The District’s limited access to working capital also presents significant challenges when  
4 addressing short-term fluctuations in cash flow.”<sup>21</sup>
- 5 • The District experienced a significant and unanticipated decrease in revenue and a  
6 concurrent increase in expenses that rapidly eroded the District’s limited working  
7 capital.”<sup>22</sup>

8 Both above can negatively impact patient care by affecting the Debtor’s ability to obtain  
9 supplies and adequate staffing. Accordingly, these factors are a component in the PCO’s ongoing  
10 monitoring and reporting efforts.

11 **B. Community Involvement and Support**

12 The PCO has managed and monitored hospitals urban and rural and small and large  
13 community long term care facilities, which offers the PCO insights into the issues that are  
14 addressed in this section. The Interim CEO and her senior leaderships’ need to engage in the time  
15 consuming and complex effort to maintain financial support from multiple boards and funding  
16 authorities. The Debtor’s leadership must also, through communication and quality care, satisfy  
17 those who use the hospital, the clinics, and the SNF. They must also convince a significant share  
18 of the 65,000 residents of the Debtor’s primary health care service area to go to the Debtor’s  
19 Hospital, Clinics and SNF when they or a child need urgent care; when a fall at little league, an  
20 accident at work, in the car, at home demands an Emergency room, and so many other immediate  
21 or non-urgent health and long term care needs arise.

22 The PCO is also no stranger to the turmoil, confusion, and at times anger created when a  
23 needed health and long-term care provider in and out of bankruptcy dips into a financial crisis. In  
24 our prior work, for everyone who criticized our interim management efforts, there were 10-20  
25 more who said to us at the supermarket, high school football game, house of worship, or in a  
26 coffee shop, “thank you for the great job you are doing.” Unfortunately, today the Debtor’s

27 <sup>21</sup> Casillas Declaration page 5, para 19-20.

28 <sup>22</sup> Casillas Declaration page 6, para 21-22.

1 interaction with the community is more difficult because of the power of social media and other  
2 tools, which empower a minority to use public meetings and everyday encounters in the  
3 community to promote unsupported allegations, make claims that are in ignorance of rules and  
4 regulations and offer personal insults; all of which makes more difficult the work of caregivers  
5 and leadership.

6 Based on the PCO's interviews, review of data/documents/material; and analysis of  
7 Emergency Room, Hospital, Clinics, the SNFs' and other Debtor services' data *the PCO has*  
8 *determined that the Debtor's staff and leadership are exhibiting a strong commitment to*  
9 *provide cost efficient and effective care and are making a time consuming effort to*  
10 *communicate their care and financial resources to the community.* The PCO will continue to  
11 monitor risk to care created by the great increase we see in time that the Debtor's leadership and  
12 even caregivers give to responding to unfounded allegations and anger fueled by social media.

13 C. Assuring Quality Assurance and Improving Performance

14 The PCO quotes from The National Institutes of Health ("NIH") to respectfully remind  
15 the Court that "the healthcare system is made up of individual players, but its ultimate goals of  
16 patient care and safety are accomplished through teamwork. Likewise, when medical errors  
17 occur, though they may result from an individual's actions, the appropriate next steps fall on the  
18 institution to identify, learn from, and improve on the prevention of such events."<sup>23</sup> Therefore, at  
19 each Debtor's facility and system-wide there must be a viable and vital on-going quality  
20 assurance and performance improvement programs.

21 1. Quality Assurance-Performance Improvement ("QAPI") Program

22 QAPI is a process whereby information is gathered, tracked, analyzed and reported to the  
23 governing board and leadership to develop performance improvement projects. Quality Assurance  
24 and Performance Improvement is a key tool for each person involved in care, to find, assess, and  
25 fix deficiencies in patient care and safety. As part of the PCO's review of the care delivery

1 processes, an important component is implementation and operation of all components of the  
2 Debtor's QAPI program.<sup>24</sup>

3 The key components needed to support an effective QAPI program are the following:

- 4 • ***Both Federal and State Rule and Regulations demand monthly or quarterly***  
5 ***meetings*** be held by nursing, medical staff, QAPI, infection control, facilities (to  
6 include disaster preparedness and other emergency situations). The Hospital and Rural  
7 Clinics are Joint Commission accredited and the SNFs are state licensed separately  
8 and have their own rules and regulations as well as mandates to provide services to  
9 and coordinate with the Hospital.
- 10 • ***All Facilities and their Directors must maintain and update policies and procedures***  
11 for their departments/services and all must participate with the Debtor's leadership in  
12 developing, implementing, training for, and assessing protocols that facilitate their  
13 specific contribution to patient care and services. In addition to all the above efforts at  
14 compliance with rules and regulations and licensing, all the Debtor's operating units  
15 are a Medicare certified facility with accreditations by The Joint Commission, the  
16 College of American Pathologists, the California Department of Public Health  
17 Licensing and Certification Division, and other department or service-specific  
18 accrediting bodies.
- 19 • ***The demand for specific senior managers/directors to comply*** with the required rules,  
20 regulations, and protocols, and the need to comply with patient care/services  
21 reimbursement rules and procedures means that the PCO monitors both the Debtors  
22 corporate operations as well as each Hospital. The Debtors' constant compliance  
23 efforts within and across the Hospitals offers the PCO a road map of the quality of  
24

25 <sup>24</sup> "The core functions of an incident reporting system are twofold. One is to use incidents to  
26 identify and prioritize which aspects of a healthcare system and its underlying risks need to be  
27 examined more closely (citation omitted). The other is to organize broader investigation and  
28 improvement activities to understand and address those risks. These active processes of  
investigation, inquiry and improvement underpin learning." Macrae, C. "The problem with  
incident reporting," *BMJ Qual Saf*, 25: 74 (2016).

patient care and safety. Thereby through interviews, observation, and review of documentation the PCO accurately assess the quality of patient care and safety and any decline or compromise in that care.

- **Meeting the demand and requirement for clinical care meetings.** The PCO’s observations of clinical care meetings, “rounding” with caregivers, chart review, and our own professional experiences revealed both the complexity of the Debtors’ patient care, and the key role psycho-social and family support services play during care. The Hospital and the SNFs each utilize daily “stand-up” or “flash-meetings” to effectively review specific clinical events, care and safety incidents, case management, and revenue cycle issues. The PCO observed at the Hospital and the SNFs these meetings; the meetings were well-run with all departments participating. Additionally, the meetings allowed the PCO to identify patients or events that merited further attention.

Based on the PCO’s interviews and review of documents/materials; the *PCO has determined that there are deficiencies in the aforementioned program, which are for the most part systemic and dating to prior to the Bankruptcy, yet currently limit the effectiveness of the Debtor’s QAPI program. A most recent meeting between the Debtor’s leadership and the PCO responded to the PCO’s questions and documented for the PCO the steps the Debtor is taking to improve the Debtor’s QAPI program.*

2. Incident Reporting

As stated above, be it a hospital, clinic, or SNF, quality patient care is achieved through documenting every care component. Maintaining, and improving patient care and safety demands that the provider and their organization closely examine “adverse events” (e.g., a medical error, patient injury, or equipment failure) that harms or has the potential to harm a patient, caregiver, or visitor. The collecting and documenting of these adverse events data is “**Incident Reporting or Occurrence.**” “Done well, it (*the incident report*) both identifies safety hazards and guides. Incident reports help staff identify and change the individual or system-level factors contributing

1 to medical errors.”<sup>25</sup>

2 All three of the Debtor’s care units use a computer system (MIDAS) to input information  
3 into the system to document all facets of the incident. The facility or care unit’s EMR is then  
4 employed for analysis and corrective action.

5 Based on the PCO’s interviews and review of documents/materials; *the PCO has*  
6 *determined that there are deficiencies in Incident Reporting, which are for the most part systemic*  
7 *and dating to prior to the Bankruptcy, yet currently limit the effectiveness of the Debtor’s*

10 *the PCO the steps the Debtor is taking to improve the Debtor’s Incident Reporting and the*  
11 **QAPI program.**

12 3. Risk Management

13 The NIH defines risk management in healthcare as “a complex set of clinical and  
14 administrative systems, processes, procedures, and reporting structures designed to detect,  
15 monitor, assess, mitigate, and prevent risks to patients.”<sup>26</sup> As a key component of QAPI, at most  
16 health care providers including the Debtor, Risk Management is headed by the QAPI Director.  
17 The Risk Management Department:

- 18
- 19 ● **CERTIFIES PATIENT SAFETY ORGANIZATIONS (“PSOS”), WHICH ARE**
  - 20 **MANDATED PROVIDER ORGANIZATIONS THAT COLLECT AND ANALYZE**

10 4. Compliance-Ethics Program<sup>28</sup>

11 As mandated by the 2010 Affordable Care Act ("ACA") as a recipient of Medicare,  
12 Medicaid, and Children's Health Insurance Program ("CHIP") funds, the Debtor's Hospital,  
13 Clinics, and SNF must establish a compliance-ethics program. Although we refer in this Report as  
14 to this key mandated program as "Compliance," most providers now refer to this as the  
15 "Compliance-Ethics program or department. Best practices has the Compliance-Ethics  
16 department and its director separate from the QAPI program. Most importantly, the Compliance  
17 program interacts with and supports the Debtor quality assurance, training, and performance  
18 improvement effort. In summary, a Compliance-Ethics program:

- 19 ● Establishes policies, procedures, and controls for all your providers and support staff.
- 20 ● Exercises effective compliance and ethics oversight at both the highest levels (compliance  
21 and ethics officer, CEO, CFO and Board)
- 22 ● Trains and continuously communicates in an effective manner with all employees, board  
23 members and vendors on compliance and ethics rules, regulations, and standards.

- Transparent, viable and vital monitoring and enforcement of all components of the compliance and ethics program
- Respond appropriately to detected offenses and develop corrective action to prevent future offenses.

**D. Interoperability: The Appropriate and Safe Sharing of Patient Information**

The Debtor must share, as do all complex health and long-term care providers, patient information in a safe and accessible form. **HealthIT.gov**, which is the official website for the federal Office of the National Coordinator for Health Information Technology ("ONC") states that as a complex health system, the Debtor "requires diverse electronic health record (EHR) products. One size does not fit all. To realize their full potential, EHR products must be able to share information seamlessly."<sup>29</sup> "Interoperability" is the term used for linking systems within each of the Debtor's facilities, between the Debtor's facilities, and between the Debtor and other care and financial parties.<sup>30</sup>

At the Debtor, interoperability is demanded of their Electronic Medical Record Systems as well as, special applications and reporting systems. In summary, the Hospital employs the "**Meditech**" EMR; the Clinics employ the "**EClinicalWorks**" EMR; and the SNFs employ

<sup>29</sup> HealthIT.gov – FAQ's at: <https://www.healthit.gov/faq/what-ehr-interoperability-and-why-it-important>

<sup>30</sup> The PCO highly recommends "Interoperability Challenges Have Real-World Effects on Patients", which is posted on the secure exchange of health information accreditation and training organization DIRECT TRUST's *Blog* at: <https://directtrust.org/blog/interoperability-challenges-have-real-world-effects-on-patients/%E2%80%8BDirectTrust>

1 the "PointClickCare" EMR. All three must be interoperable with the other EMRs, as well as with  
2 the Midas Incident Reporting program, the Lightworks toolset for Training, PIXYS system for  
3 pharmacy, Web Pt for the outpatient Rehab Center, and multiple other laboratory, radiology, and  
4 data integration systems.

5 Establishing, maintaining, and monitoring the Debtor's EMRs and supporting applications  
6 is supported by national standards that defines how:

- 7 • Each EMR and applications interact with users,
- 8 • Systems including emailing and messaging communicate with each other,
- 9 • Information is processed and managed at the Debtor and in required exchanges with  
10 outside vendors, providers, payers, and governmental-regulatory agencies,
- 11 • The Debtor's various systems integrate with consumers.<sup>31</sup>

12 **The PCO has assessed and will continue to assess and report on the Debtor's**  
13 **interoperability issues.**

14 **V. THE PCO'S NEXT STEPS**

15 The PCO has identified the need to continue to monitor quality of patient care and any  
16 impact on care. In compliance with his obligations under Bankruptcy Code section 333, the PCO  
17 and his team will continue their interviews with management, caregivers, and patients and will  
18 *continue the monitoring function by focusing on the following areas:*

- 19 1. The security and availability to authorized persons of patient medical  
20 records and information. Continued sampling of medical records to determine if the charts all  
21 required documents and consent forms. Medical Records and Information Interoperability.
- 22 2. QAPI, Incident Reporting, Risk, and Compliance Departments and monitor  
23 the Debtor's effort to remediate any deficiencies in those programs.
- 24 3. SNF patient falls, use of restraints, timely response to patient demands,  
25 care delivery processes and outcomes, and other critical data points.

RE: Distressed Hospital Loan Program

Dear Mark Robinson,

Congratulations! The California Department of Health Care Access and Information notified the California Health Facilities Financing Authority (CHFFA) that San Benito Health Care District dba Hazel Hawkins Memorial Hospital's application is approved for an interest-free cashflow loan from the Distressed Hospital Loan Program (DHLP) to prevent closure of the hospital. Below are some of the terms of the DHLP loan:

Borrower: San Benito Health Care District dba Hazel Hawkins Memorial Hospital  
Loan Amount: \$10,000,000  
Loan Term: 72 months (with 18-month initial deferment period)  
Interest Rate: 0% fixed  
Monthly Debt Service Amount: \$185,185.19

The funding of the DHLP loan is contingent upon (i) Bankruptcy Court Approval, (ii) the full execution of the Loan and Security Agreement and the Promissory Note, including all exhibits, such as the Medi-Cal Intercept Form, a notarized EFT Cancellation Form, and the Loan Funds Disbursement Request, in each case in substantially the form delivered to you concurrently with the delivery of this letter, and (iii) there are sufficient funds in the Distressed Hospital Loan Program Fund.

We are looking forward to working with you during the DHLP loan closing process. If you have any questions, please contact your Loan Officer, Erica Rodriguez, by email at [erodriguez@treasurer.ca.gov](mailto:erodriguez@treasurer.ca.gov) or by telephone at (916) 653-3841. Your Loan Officer will contact you to begin the loan closing process.

Sincerely,

DocuSigned by:

## **SAN BENITO HEALTH CARE DISTRICT VENDOR SERVICES AGREEMENT**

This VENDOR SERVICES AGREEMENT (“Agreement”) is made and effective, by and between the San Benito Health Care District, a local health care district organized and operated pursuant to Division 23 of the California Health and Safety Code (“District”), and Interpol Private Security (“VENDOR”).

District wishes to retain the services of an experienced and qualified VENDOR to provide security services (“Services”). VENDOR represents and warrants it is qualified to perform those Services. In consideration of the mutual covenants and conditions set forth herein, the parties agree as follows:

### 1. TERM

Unless terminated in accordance with Section 8 below, the Agreement will continue in full force and effect for two (2) years from the Effective Date through the report, as detailed in the Scope of Services attached hereto as Exhibit A.

### 2. SCOPE OF SERVICES

VENDOR will provide the Scope of Services listed in Exhibit A. VENDOR warrants that all services set forth in the Scope of Services will be performed in a competent, professional and satisfactory manner.

### 3. PERFORMANCE

- a. VENDOR shall at all times faithfully, competently and to the best of its ability, experience, and talent perform all tasks described herein. VENDOR shall employ, at a minimum, generally accepted standards and practices utilized by persons engaged in providing similar services as are required of VENDOR hereunder in meeting its obligations under this Agreement.
- b. VENDOR shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by VENDOR or in any way affect the performance of its Services pursuant to this Agreement. VENDOR shall at all times observe and comply with all such laws and regulations. The District, and its officers, employees, and agents shall not be liable at law or in equity occasioned by failure of VENDOR to comply with this Section.
- c. VENDOR agrees that in the performance of this Agreement or any sub-agreement hereunder, neither VENDOR nor any person acting on VENDOR’s behalf shall refuse to employ or refuse to continue in any employment any person or discriminate on the basis of race, religious creed, color, national origin, ancestry, disability, medical condition, genetic information, marital status, sexual preference, sex, gender identity, gender expression, military or veteran status or age. Harassment in the workplace is not

permitted in any form. VENDOR further agrees to comply with all laws with respect to employment when performing this Agreement.

- d. VENDOR shall maintain prior to the beginning of and for the duration of this Agreement insurance coverage as specified in Exhibit C attached to and part of this Agreement.
- e. VENDOR declares and warrants that no undue influence or pressure is used against or in concert with any officer, employee or agent of District in connection with the award, terms or implementation of this Agreement, including any method of coercion, confidential financial agreement or financial inducement. No officer, employee, or agent of District will receive compensation, directly or indirectly, from VENDOR, or from any officer, employee or agent of VENDOR, in connection with the award of this Agreement or any work to be conducted as a result of this Agreement. Violation of this Section shall be a material breach of this Agreement entitling District to any and all remedies at law or in equity.

#### 4. DISTRICT MANAGEMENT

The District Interim Chief Executive Officer ("CEO"), or designee, shall represent District in all matters pertaining to the administration of this Agreement, review and approval of all products submitted by VENDOR, but not including the authority to enlarge the Scope of Work or change the compensation due to VENDOR. The District Interim CEO or designee shall be authorized to act on District's behalf and to execute all necessary documents which enlarge the Scope of Work or change VENDOR's compensation, subject to Section 5 hereof.

#### 5. PAYMENT

- a. For Services rendered pursuant to this Agreement, VENDOR shall be paid \$32.00 per hour for each Security Officer (Refer to Exhibit A for details) in consideration.
- b. Invoices shall be payable within thirty (30) days of receipt of VENDOR's invoice.
- c. If any sum payable to Interpol under this Agreement is in arrears, VENDOR will charge interest on such overdue sum (from the due date until paid in full) at the rate of 5 percent (5%) plus an administrative fee of \$55.

#### 6. INSPECTION

District shall at all times have the right to inspect the work and materials. VENDOR shall furnish all reasonable aid and assistance required by District for the proper examination of the work and all parts thereof. Such inspection shall not relieve VENDOR from any obligation to perform said services strictly in accordance with the specifications or any modifications thereof and in compliance with the law.

#### 7. SUSPENSION OR TERMINATION OF AGREEMENT

The Agreement may be terminated by mutual consent of both parties, or by 10 days' notice by either party. In the event this Agreement is terminated pursuant to this Section, District shall pay to VENDOR the actual value of the Services performed up to the time of termination, provided

302660091879935 1 918232

that the Services performed are of value to the District. Upon termination of the Agreement pursuant to this Section, VENDOR shall submit an invoice to District pursuant to Section 5.

8. DEFAULT OF VENDOR/FORCE MAJEURE

- a. VENDOR's failure to comply with the provisions of this Agreement shall constitute a default. In the event VENDOR is in default for cause under the terms of this Agreement, District shall have no obligation or duty to continue compensating VENDOR for any Services performed after the date of default and can terminate this Agreement immediately by written notice to the VENDOR. If such failure by the VENDOR to make progress in the performance of Services hereunder arises out causes beyond the VENDOR's control, and without fault or negligence of the VENDOR, it shall not be considered a default.
- b. If the Interim CEO or designee determines VENDOR is in default in the performance of any of the terms or conditions of this Agreement, they shall cause to be served upon VENDOR a written notice of the default. The VENDOR shall have ten (10) days after service upon it of said notice in which to cure the default by rendering a satisfactory performance. In the event VENDOR fails to cure its default within such period of time or fails to present District with a written plan for the cure of the default, District shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

9. OWNERSHIP OF DOCUMENTS

- a. VENDOR shall maintain adequate records of Services provided in sufficient detail to permit an evaluation of Services. VENDOR shall provide free access to the representatives of District or its designees at reasonable times to such books and records; shall give District the right to examine and audit said books and records at VENDOR's office; shall permit District to make copies and transcripts there from as necessary; and shall allow inspection of all work, data, documents, proceedings, and activities related to this Agreement. Such records, together with supporting documents, shall be maintained at the District for a minimum period of five (5) years after receipt of final payment.
- b. Upon completion of, or in the event of termination or suspension of this Agreement, all original documents, designs, drawings, maps, models, computer files, surveys, notes, and other documents prepared in the course of providing the Services to be performed pursuant to this Agreement shall become the sole property of District and may be used, reused, or otherwise disposed of by District without the permission of VENDOR.

10. RECORD AUDIT

In accordance with Government Code, Section 8546.7, for expenditures of greater than \$10,000, records of both District and VENDOR shall be subject to examination and audit by the Auditor General for a period of three (3) years after final payment.

#### 11. INDEMNIFICATION

VENDOR shall indemnify, defend with legal counsel approved by District, and hold harmless District, its officers, employees, agents, and volunteers (collectively, District) from and against all liability, loss, damage, expense, cost (including without limitation reasonable legal counsel fees, expert fees and all other costs and fees of litigation) of every nature arising out of or in connection with VENDOR's negligence, recklessness or willful misconduct in the performance of work hereunder or its failure to comply with any of its obligations contained in this Agreement, except such loss or damage which is caused by the sole or active negligence or willful misconduct of the District. Should conflict of interest principles preclude a single legal counsel from representing both District and VENDOR, or should District otherwise find VENDOR's legal counsel unacceptable, then VENDOR shall reimburse the District its costs of defense, including without limitation reasonable legal counsel fees, expert fees and all other costs and fees of litigation. The VENDOR shall promptly pay any final judgment rendered against the District (and its officers, employees, agents and volunteers) with respect to claims determined by a trier of fact to have been the result of the VENDOR's negligent, reckless or wrongful performance. It is expressly understood and agreed that the foregoing provisions are intended to be as broad and inclusive as is permitted by the law of the State of California and will survive termination of this Agreement.

VENDOR obligations under this section apply regardless of whether such claim, charge, damage, demand, action, proceeding, loss, stop notice, cost, expense, judgment, civil fine or penalty, or liability was caused in part or contributed to by District. However, without affecting the rights of District under any provision of this agreement, VENDOR shall not be required to indemnify and hold harmless District for liability attributable to the active negligence of District, provided such active negligence is determined by agreement between the parties or by the findings of a court of competent jurisdiction. In instances where District is shown to have been actively negligent and where District's active negligence accounts for only a percentage of the liability involved, the obligation of VENDOR will be for that entire portion or percentage of liability not attributable to the active negligence of District.

No District officer, employee or agent shall be personally liable to VENDOR, in the event of any default or breach by District or for any amount that may become due to VENDOR.

#### 12. INSURANCE

Without limiting VENDOR's indemnification of District, and prior to commencement of work, VENDOR shall obtain, provide, and maintain at its own expense during the term of this Agreement, policies of insurance of the type and amounts described in Exhibit B and in a form that is satisfactory to District.

#### 13. INDEPENDENT CONTRACTOR

- a. VENDOR is and shall at all times remain as to District a wholly independent contractor. The personnel performing the services under this Agreement on behalf of VENDOR shall at all times be under VENDOR's exclusive direction and control. Neither District nor any of its officers, employees, or agents shall have control over the conduct of VENDOR or any of VENDOR's officers, employees, or agents, except as set forth in this Agreement.

VENDOR shall not at any time or in any manner represent that it or any of its officers, employees, or agents are in any manner officers, employees, or agents of the District. VENDOR shall not incur or have the power to incur any debt, obligation, or liability whatever against District, or bind District in any manner.

- b. No employee benefits shall be available to VENDOR in connection with the performance of this Agreement. Except for the fees paid to VENDOR as provided in the Agreement, District shall not pay salaries, wages, or other compensation to VENDOR for performing services hereunder for District. District shall not be liable for compensation or indemnification to VENDOR for injury or sickness arising out of performing services hereunder.
- c. Any and all employees or sub-contractors of VENDOR under this Agreement, while engaged in the performance of any work or services required by VENDOR under this Agreement, shall be considered employees or sub-contractors of VENDOR only and not of District. Any and all claims that may arise under the Workers' Compensation Act on behalf of said employees or sub-contractors, while so engaged and all claims made by a third party as a consequence of any negligent act or omission on the part of the VENDOR's employees or sub-contractors, while so engaged in any of the work or services provided for or rendered herein shall not be District's obligation.

14. NO BENEFIT TO ARISE TO DISTRICT OFFICERS AND EMPLOYEES

No District officer, employee of District, or their designees or agents, and no public officer who exercises authority over or responsibilities with respect to the Services provided under the Agreement during their tenure or for one year thereafter, shall have any interest, direct or indirect, in any agreement or sub-agreement, or the proceeds thereof, for work to be performed in connection with the Services performed under this Agreement.

15. CONFLICT OF INTEREST

VENDOR shall at all times avoid conflicts of interest, or the appearance of conflicts of interest, in the performance of this Agreement, and shall comply with the District's conflict of interest code.

If District determines VENDOR comes within the definition of Contractor under the Political Reform Act (Government Code §87100 et seq.), VENDOR shall complete and file and shall require any other person performing Services under this Agreement to complete and file a "Statement of Economic Interest" with District disclosing VENDOR's and/or such other person's financial interests.

16. NO WAIVER OF BREACH/TIME

The waiver by District of any breach of any term or promise contained in this Agreement shall not be deemed to be a waiver of such term or provision or any subsequent breach of the same or any other term or promise contained in this Agreement. Time is of the essence in carrying out the duties hereunder.

17. CONFIDENTIAL INFORMATION/RELEASE OF INFORMATION

- a. All information gained by VENDOR in performance of this Agreement shall be considered confidential and shall not be released by VENDOR without District's prior written authorization. VENDOR, its officers, employees, agents, or sub-contractors, shall not without written authorization from the Interim CEO or unless requested by District Counsel, voluntarily provide declarations, letters of support, testimony at depositions, response to interrogatories, or other information concerning the work performed under this Agreement or relating to any project or property located within the District. Response to a subpoena or court order shall not be considered "voluntary" provided VENDOR gives District notice of such court order or subpoena.
- b. VENDOR shall promptly notify District should VENDOR, its officers, employees, agents, or sub-contractors be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions, or other discovery request, court order, or subpoena from any person or party regarding this Agreement and the Services performed thereunder or with respect to any project or property located within the District. District retains the right, but has no obligation, to represent VENDOR and/or be present at any deposition, hearing, or similar proceeding. VENDOR agrees to cooperate fully with District and to provide the opportunity to review any response to discovery requests provided by VENDOR. However, District's right to review any such response does not imply or mean the right by District to control, direct, or rewrite said response.
- c. As set forth in Exhibit A, VENDOR agrees to comply with the applicable provisions of the Health Insurance Portability and Accountability Act of 1996, as codified at 42 U.S.C. 1320 d through d-K ("HIPAA"), and the requirements of any regulations promulgated there under including federal privacy regulations as contained in 45 CFR Part 164 (the "Federal Privacy Regulations") and the federal security standards as contained in 45 CFR part 142 (the "Federal Security Regulations"). Both parties agree not to use or further disclose any protected health information, as defined in 45 CFR 164-504, or individually identifiable health information, as defined in 42 U.S.C. 1320d (collectively "Protected Health Information"), concerning a patient other than as permitted by this Agreement and the requirements of HIPAA including the Federal Privacy Regulations and Federal Security Regulations. Both parties will implement appropriate safeguards to prevent the use or disclosure of a patient's Protected Health Information other than as provided by this Agreement.

18. NOTICES

Any notices which either party may desire to give to the other party under this Agreement must be in writing and may be given either by (i) personal service, (ii) delivery by a reputable document delivery service, such as but not limited to, Federal Express, which provides a receipt showing date and time of delivery, or (iii) mailing in the United States Mail, certified mail, postage prepaid, return receipt requested, addressed to the address of the party as set forth below or at any other address as that party may later designate by notice:

Hollister, CA 95023

Notice is effective on the date of personal service, or 5 days following deposit in a United States mailbox, or date of postmark. The parties may agree to notice by email.

19. THIRD PARTY BENEFICIARIES

Nothing contained in this Agreement shall be construed to create, and the parties do not intend to create, any rights in third parties.

20. ASSIGNMENT

VENDOR shall not assign the performance of this Agreement, nor any part thereof, nor any monies due hereunder, without prior written consent of District. Subject to the foregoing, all terms of the Agreement will be binding upon, enforceable by and inure to the benefit of the parties and their successors and assigns.

21. GOVERNING LAW

District and VENDOR understand and agree that the laws of the State of California shall govern the rights, obligations, duties, and liabilities of the parties to this Agreement and also govern the interpretation of this Agreement. Any litigation concerning this Agreement shall take place in San Benito County, or the federal district court with jurisdiction over the District. VENDOR agrees not to commence or prosecute any dispute arising out of or in connection with this Agreement other than in the aforementioned courts and irrevocably consents to the exclusive personal jurisdiction and venue of the aforementioned courts.

22. DISPUTE RESOLUTION; ATTORNEY'S FEES

VENDOR shall continue to perform under this Agreement during any dispute. VENDOR and District hereby agree to make good faith efforts to resolve disputes as quickly as possible. If the dispute is not resolved by meeting and conferring, the matter shall be submitted for formal mediation to a mediator selected mutually by the parties. The expenses of such mediation shall be shared equally between the parties. In the event any dispute arising from or related to this Agreement results in litigation or arbitration, the prevailing party shall be entitled to recover all reasonable costs incurred, including court costs, attorney fees, expenses for expert witnesses (whether or not called to testify), expenses for accountants or appraisers (whether or not called to

30266009\1879935 1 918237

testify), and other related expenses. Recovery of these expenses shall be as additional costs awarded to the prevailing party, and shall not require initiation of a separate legal proceeding.

23. AUTHORITY TO EXECUTE THIS AGREEMENT

The person or persons executing this Agreement on behalf of VENDOR warrants and represents that they have the authority to execute this Agreement on behalf of the VENDOR and the authority to bind VENDOR to the performance of its obligations hereunder.

24. ENTIRE AGREEMENT

This Agreement contains the entire understanding between the parties relating to their obligations described in this Agreement. All prior or contemporaneous agreements, understandings, representations, and statements, oral or written, are merged into this Agreement and shall be of no further force or effect. Each party is entering into this Agreement based solely upon the representations set forth herein and upon each party's own independent investigation of any and all facts such party deems material.

25. AMENDMENT

- a. Any modification or amendment to this Agreement must be in writing.
- b. Neither District nor VENDOR shall be deemed to have waived any obligation of the other, or to have agreed to any modification to this Agreement unless it is in writing, and signed by the party giving the waiver.

26. INTERPRETATION OF CONFLICTING PROVISIONS

In the event of any conflict or inconsistency between the provisions of this Agreement and the Provisions of any exhibit or other attachment to this Agreement, the provisions of this Agreement shall prevail and control.

27. SEVERABILITY

If any term of this Agreement is held invalid by a court of competent jurisdiction or arbitrator the remainder of this Agreement shall remain in effect.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed the day and year first above written.

SCOPE OF WORK/SERVICES**

**HIPAA COMPLIANCE STATEMENT**

This Security Agreement ("Agreement") is entered into by and between Interpol, and the Client, collectively referred to as the "Parties."

**WHEREAS**, the Company is providing security services to the Client, and as part of these services, may have access to protected health information (PHI) as defined by the Health Insurance Portability and Accountability Act (HIPAA).

**WHEREAS**, the Parties recognize the importance of safeguarding PHI and complying with all applicable HIPAA regulations.

Now, Therefore, the Parties hereby agree as follows:

**CONFIDENTIALITY:** The Company acknowledges that it may come into contact with PHI while performing its security services. The Company shall maintain the confidentiality and security of all PHI in accordance with HIPAA regulations. This includes implementing appropriate administrative, physical, and technical safeguards to protect the confidentiality, integrity, and availability of PHI.

**TRAINING:** The Company shall ensure that its employees and agents who may have access to PHI receive appropriate training in HIPAA compliance. Training shall include understanding the privacy and security rules and the obligations of this Agreement.

**USE AND DISCLOSURE:** The Company shall only use and disclose PHI as necessary to perform the security services described in this Agreement or as required by law. Unauthorized use or disclosure of PHI is prohibited.

**REPORTING:** The Company shall promptly report any breach of PHI to the Client as required by HIPAA regulations.

**INDEMNIFICATION:** The Company shall indemnify and hold the Client harmless from any HIPAA violations resulting from the Company's actions or omissions.

**TERM AND TERMINATION:** This HIPAA Compliance Statement shall remain in effect for the duration of the Agreement and for as long as the Company retains any PHI. Either Party may terminate this Agreement with written notice if the other Party breaches its HIPAA compliance obligations.

**GOVERNING LAW:** This HIPAA Compliance Statement shall be governed by and construed in accordance with the laws of California.

036000961879013 018231

**Hours of Coverage & Description:**

Interpol Private Security's personnel will make visible foot patrols throughout their posts in undetermined patterns. It is required for personnel to interact with patients/employees in a helpful and informative manner. The personal safety of staff, patients, visitors, and contractors are Interpol's #1 priority. Interpol personnel will assist with the protection of property and other assets against fraud, theft, and damage.

Based on current egress/ingress and vulnerable entry points of Hazel Hawkins Memorial Hospital, Interpol recommends a minimum of two Security officers onsite 24-hours a day 7 days per week. The Security officers will patrol the facility/properties every 30 to 60 minutes to assure all exterior doors and windows remain secure. The Security officers will respond to emergency situations and assist at the direction of the client. Security will also provide a visual deterrent to all individuals looking to vandalize/damage the property.

**EXHIBIT B  
FEES**

**Holiday Coverage:**

Christmas Day, Thanksgiving Day, New Year's Day, Martin Luther King Day, President's Day, Easter, Memorial Day, Labor Day, Veterans Day, and 4th of July. Please note the days listed above will be billed at Holiday rate.

Regular billing rates shall be used for all regularly scheduled work for the hours specified for the first 8 hours per security personnel. Over Time rates shall be used for all hours over 8 to 12 hours per day per security personnel. All hours in excess of 12 hours per day per security personnel shall be paid at double the regular billing rates. **(OT rates are subject to Client requesting hours outside of normal operational hours)**

Annual Increases: Billing rates shall automatically increase by three percent (3%) per year on each anniversary of this Agreement.

Expenses: Client agrees to reimburse IPS for the reasonable costs associated with providing services under the Agreement signed when such costs are incurred at Client's request. Client may request receipts. Such costs shall be included in the regular invoices.

**SPECIAL RATES FOR ADDITIONAL SERVICES**

1. Requests for extra service with short lead time will be billed at the overtime rate as follows: (a) Requests received between 8 a.m., Monday through 6 p.m., Friday, in a non-holiday week, will be billed at the overtime rate for the first 48 hours of service, if less than 48 hours' notice is received; (b) Requests received between 6 p.m., Friday through 8 a.m., Monday, or 6 p.m. on the evening of a holiday through 8 a.m. on the morning following the holiday, will be billed at the overtime rate for the first 72 hours of service, if less than 72 hours' notice is received.
2. A labor strike or other emergency situation that creates a working environment for security personnel that is more hazardous than the normal condition under this agreement signed will be caused to negotiate in good faith a temporary billing rate for modified services.
3. On or before the expiration date of one (1) year from the initial date of service under an agreement signed, the parties hereto agree to reopen negotiations in good faith for the purpose of considering revised billing rates. However, service rates and quantity of service may be amended at any time upon the mutual agreement in writing by authorized agents of IPS and the Client without otherwise affecting any understandings contained in this Agreement.

Should there be a change in state or federal minimum wage rate, workers' compensation rate, liability insurance rate, city, state or federal tax contribution by employers, or other imposed

{02669091879935 1 -01823 }

costs that are beyond the control of IPS and that have an adverse effect on the operating costs of IPS, Client agrees to negotiate in good faith revised billing rates that will reimburse IPS for its added costs.

umbrella or excess insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of District before the District's own insurance or self-insurance shall be called upon to protect it as a named insured.

**District's Rights of Enforcement.** In the event any policy of insurance required under this Agreement does not comply with these specifications or is canceled and not replaced, District has the right but not the duty to obtain the insurance it deems necessary and any premium paid by District will be promptly reimbursed by VENDOR or District will withhold amounts sufficient to pay premium from VENDOR payments. In the alternative, District may cancel this Agreement.

**Acceptable Insurers.** All insurance policies shall be issued by an insurance company currently authorized by the Insurance Commissioner to transact business of insurance or is on the List of Approved Surplus Line Insurers in the State of California, with an assigned policyholders' Rating of A- (or higher) and Financial Size Category Class VII (or larger) in accordance with the latest edition of Best's Key Rating Guide, unless otherwise approved by the District's Risk Manager.

**Waiver of Subrogation.** All insurance coverage maintained or procured pursuant to this Agreement shall be endorsed to waive subrogation against District, its elected or appointed officers, agents, employees and volunteers or shall specifically allow VENDOR or others providing insurance evidence in compliance with these specifications to waive their right of recovery prior to a loss. VENDOR hereby waives its own right of recovery against District, and shall require similar written express waivers and insurance clauses from each of its subconsultants.

**Enforcement of Contract Provisions (Non Estoppel).** VENDOR acknowledges and agrees that any actual or alleged failure on the part of the District to inform VENDOR of non-compliance with any requirement imposes no additional obligations on the District nor does it waive any rights hereunder.

**Requirements Not Limiting.** Requirements of specific coverage features or limits contained in this Section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If the VENDOR maintains higher limits than the minimums shown above, the District requires and shall be entitled to coverage for the higher limits maintained by the VENDOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the District.

**Notice of cancellation.** VENDOR agrees to oblige its insurance agent or broker and insurers to provide to District with a thirty (30) day notice of cancellation (except for nonpayment for which a ten (10) day notice is required) or nonrenewal of coverage for each required coverage.

Additional insured status. General liability policies shall provide or be endorsed to provide that District and its officers, employees, and agents shall be additional insureds under such policies. This provision shall also apply to any excess/umbrella liability policies.

**Prohibition of undisclosed coverage limitations.** None of the coverages required herein will be in compliance with these requirements if they include any limiting endorsement of any kind that has not been first submitted to District and approved of in writing.

**Separation of insureds.** A severability of interests provision must apply for all additional insureds ensuring that VENDOR's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the insurer's limits of liability. The policy (ies) shall not contain any cross-liability exclusions.

**Pass-Through Clause.** VENDOR agrees to ensure that its sub-consultants, sub-contractors, and any other party involved with the project who is brought onto or involved in the project by VENDOR, provide the same minimum insurance coverage and endorsements required of VENDOR. VENDOR agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. VENDOR agrees that upon request, all Agreements with consultants, subcontractors, and others engaged in the project will be submitted to District for review.

**District's Right to Revise Specifications.** The District reserves the right at any time during the term of the contract to change the amounts and types of insurance required by giving the VENDOR ninety (90) days advance written notice of such change. If such change results in substantial additional cost to the VENDOR, the District and VENDOR may renegotiate VENDOR's compensation.

**Self-Insured Retentions.** Any self-insured retentions must be declared to and approved by District. District reserves the right to require that self-insured retentions be eliminated, lowered, or replaced by a deductible. Self-insurance will not be considered to comply with these specifications unless approved by District.

**Timely Notice of Claims.** VENDOR shall give District prompt and timely notice of claims made or suits instituted that arise out of or result from VENDOR's performance under this Agreement, and that involve or may involve coverage under any of the required liability policies.

**Additional Insurance.** VENDOR shall also procure and maintain, at its own cost and expense, any additional kinds of insurance, which in its own judgment may be necessary for its proper protection and prosecution of the Work.

## IMPERIAL HEALTH PLAN OF CALIFORNIA, INC. AGREEMENT

### RECITALS

- A. WHEREAS, the PLAN is licensed by the Department of Managed Health Care as a Knox-Keene licensed (restricted) health care Service Plan pursuant to Health and Safety Codes Section 1340 et seq Welfare & Institutions Code §14087.54.
- B. WHEREAS, HOSPITAL, is licensed in accordance with the requirements of the California Health Facilities Licensure Act (Health and Safety Code, Sections 1250 et seq.) and the regulations promulgated pursuant thereto, is currently certified under Title XVIII of the Federal Social Security Act, complies with the Joint Commission Accreditation (JCA) standards, and has on its medical staff physicians who have contracted with PLAN to provide physician services to Medicare members enrolled in the Plan under a Plan-to-Plan Agreement.
- C. WHEREAS, the PLAN desires to arrange for hospital and other services for its Medicare Members, and HOSPITAL desires to provide Hospital and other services for such Medicare Members.

NOW THEREFORE, in consideration of the foregoing recitals and the mutual promises and covenants herein, receipt and sufficiency of which are hereby acknowledged, the parties agree and covenant as follows:

### SECTION 1. DEFINITIONS

As used in this Agreement, the following terms will have the meaning set forth herein below, except where, from the context, it is clear that another meaning is intended. Many words and terms are capitalized throughout this Agreement to indicate that they are defined as set forth in this Section.

- 1.1 Administrative Day. Any day in an acute care facility for which inpatient care is not required regardless of patient disposition on discharge, for whose care has been approved by the PLAN as such.
- 1.2 Agreement. This agreement and all of the Exhibits attached hereto and incorporated herein by reference.
- 1.3 Attending Physician. (a) any physician who is acting in the provision of Emergency Services to meet the medical needs of the Member or (b) any physician who is, through referral from the Member's Primary Care Physician, actively engaged in the treatment or evaluation of a Member's condition.

- 1.4 Authorization Request Form (ARF). The form approved by PLAN for the provision of specified Covered Services set forth in the Provider Manual.
- 1.5 Capitation Payment. The prepaid monthly amount that PLAN pays to Primary Care Physician (PCP) as compensation for those Covered Medical Services which are set forth in Attachment C, attached to and incorporated within the Provider Agreement with PLAN.
- 1.6 Case Managed Members. Members who have been assigned or who chose a Primary Care Physician for their medical care.
- 1.7 Case Management. The responsibility for primary and preventive care, and for the referral, consultation, ordering of therapy, admission to hospitals, provision of Medicare covered health education and preventive services, follow-up care, coordinated hospital discharge planning that includes necessary post-discharge care, and maintenance of a medical record with documentation of referred and follow-up services.
- 1.8 Complex Case. Members requiring comprehensive care management and coordination of services. Such Members may be identified through pre-certification requests by utilization management and inpatient concurrent review, those with complex psychosocial care needs, and those with high acute impact scores or high forecasted costs. Criteria include: complex health conditions, barriers, and/or risks needing ongoing intervention. Frequently managed conditions, diseases or high-risk groups include, but are not limited to: Alzheimer, diabetes, stage renal disease, cancer or other chronic illnesses that result in high utilization or under-utilization of health care resources, congenital anomalies, multiple chronic illnesses, serious trauma, spinal injuries, and transplants.
- 1.9 Contract Year. The 12-month period following the effective date of this Agreement between HOSPITAL and PLAN and each subsequent 12-month period following the anniversary of the agreement. If the date of commencement of operations is later than the effective date, the PLAN operational date will apply.
- 1.10 Covered Medical Services. Those Covered Services that are set forth in the Provider Handbook some of which are to be provided to, or arranged for, Members by HOSPITAL, within the scope of its licensure, pursuant to this Agreement and for which HOSPITAL is to be compensated by PLAN in accordance with Attachment B of this Agreement.
- 1.11 Covered Services. All Medically Necessary services to which Members are entitled from PLAN as set forth in the Provider Handbook, including Primary Care Services, medical, hospital, preventive, ancillary, emergency and health education services. Covered Services includes Covered Medical Services.
- 1.12 Direct Referral Authorization Form (DRAF). The Plan's form, evidencing referral by PCP or Medical Director, or designee for initial specialist consultation or return follow-up with forty-five (45) days.
- 1.13 Emergency Medical Condition. A medical condition which is manifested by acute symptoms of sufficient severity, including severe pain, such that a prudent lay-person who possesses an average knowledge of health and medicine could reasonably expect the

absence of immediate medical attention to result in: 1) placing the health of the individual (or, in the case of a pregnant woman, the health of the woman or her unborn child) in serious jeopardy; 2) serious impairment to bodily functions; or 3) serious dysfunction of any bodily organ or part.

**SECTION 2.**  
**QUALIFICATIONS, OBLIGATIONS AND COVENANTS**

- 2.1 HOSPITAL is responsible for:

- 2.1.1 Provision of Covered Services. HOSPITAL shall provide to Members those Covered Services that are Medically Necessary which HOSPITAL is licensed to provide and customarily provides to all HOSPITAL patients. Those services which HOSPITAL customarily provides but which are specifically excluded from this Agreement, if any, are described in Section 4. HOSPITAL will perform such hospital services in an economic and efficient manner consistent with professional standards of medical care generally accepted by the medical community. Any Primary Care Physician or Specialist Physician who admits or treats a Member in HOSPITAL must be a member in good standing of HOSPITAL'S organized medical staff with appropriate clinical privileges to admit and treat such Member. HOSPITAL is responsible for coordinating the provision of Covered Services with the Member's assigned Primary Care Physician.
- 2.1.2 Admission and Transfer of Members. Upon receipt of prior authorization from PLAN or its designee, HOSPITAL shall admit Members in accordance with its admission protocols and community standards. In the event that a Member is transferred to or from HOSPITAL to another hospital that is a Participating Hospital, HOSPITAL will complete all transfer and authorization forms requested by PLAN, and as necessary, to ensure the continuity of care of the Member.
- 2.1.3 Referral and Authorization. Except for Emergency Services, HOSPITAL will provide Hospital Services to Members only when HOSPITAL has received an appropriate prior written authorization for such services from PLAN or its designee.
- 2.1.4 Plan Policies and Procedures Compliance. HOSPITAL will comply with the policies and procedures approved by PLAN for the provision of Covered Services under the Medicare Managed Care Program. HOSPITAL agrees to comply with all policies and procedures set forth in the Provider Manual. The Provider Manual is available through the PLAN website at <https://www.imperialhealthplan.com/california> PLAN may modify the Provider Manual from time to time. PLAN shall notify HOSPITAL at least sixty (60) days prior to any material change in its Provider Manual. HOSPITAL has the right to negotiate and agree to any change. In the event that PLAN and HOSPITAL cannot agree regarding the proposed modification within thirty (30) business days, HOSPITAL has the right to terminate this Agreement prior to implementation of the change. In the event of a conflict between the Agreement and the Provider Manual, the terms of the Agreement shall prevail.
- 2.1.5 Standards: HOSPITAL shall:
- (a) Standards of Care. Provide Covered Services to Members that are Medically Necessary that are the same standards of care, skill, diligence and in the same economic and efficient manner as are generally accepted practices and standards prevailing in the professional community.

- (b) Licensure. Maintain in good standing the license and accreditation of its facility or facilities in accordance with Section 1250 et seq. of the Health and Safety Code and the licensing regulations contained in Title 22 and 17 of the California Code of Regulations. HOSPITAL agrees to remain certified under Title XVIII of the Federal Social Security Act, and shall notify PLAN immediately if any action of any kind is initiated against HOSPITAL which could result in (a) the suspension or revocation of its license; or (b) the suspension or loss of accreditation, or (c) the imposition of any sanction against HOSPITAL under the Medicare Program; or (d) the material impairment of its ability to provide hospital services hereunder. HOSPITAL shall provide PLAN with evidence of such licensure and accreditation upon execution of this Agreement.
- (c) Officers, Owners, and Stockholders. Be responsible for providing upon execution of this Agreement the information regarding officers, owners and stockholders as set forth in Attachment A, attached to and incorporated herein.
- (d) Facilities, Equipment and Personnel. Provide and maintain sufficient facilities, equipment, personnel, and administrative services to perform the duties and responsibilities as set forth in this Agreement.
- (e) Hospital Privileges. Use its best efforts in granting HOSPITAL privileges in accordance with its medical staff bylaws for qualified Participating Providers affiliated with PLAN.
- (f) Medical Records. Ensure that a medical record will be established and maintained for each Member. Each Member's medical record will be established upon the Member's first visit. The record will contain that information normally included in accordance with generally accepted HOSPITAL practices and standards prevailing in the professional community. HOSPITAL will facilitate the sharing of medical information with other providers subject to all applicable laws and professional standards regarding the confidentiality of medical records. HOSPITAL will make such records available to authorized PLAN personnel and its designees in order for PLAN to conduct its Quality Improvement and Utilization Management Programs.
- (g) Cultural and Linguistic Services. HOSPITAL shall provide services to Members in a culturally, ethnically and linguistically appropriate manner. HOSPITAL shall recognize and integrate Members' practices and beliefs about disease causation and prevention into the provision of Covered Services. HOSPITAL shall comply with Plan's language assistance program standards developed under California Health and Safety Code Section 1367.04 and Title 28 CCR Section 1300.67.04 and shall cooperate with Plan by providing any information necessary to assess compliance. HOSPITAL is responsible for providing interpretive services. However, if

HOSPITAL unable to meet a member's interpretive needs, HOSPITAL may utilize the PLAN's telephonic language assistance program, if available.

2.1.6 Participation in Quality Improvement and Utilization Management Programs.

HOSPITAL will cooperate and participate in PLAN'S Quality Improvement and Utilization Management Programs and will comply with the policies and procedures associated with these Programs. This includes participation in facility reviews, chart and access audits and focused reviews. In the event there is a conflict in the PLAN's and HOSPITAL's policies and procedures, the parties shall meet and confer to reach to reach mutual agreement related to this section 2.1.6.

- (a) HOSPITAL will participate in the development of corrective action plans for any areas that fall below PLAN standards and ensuring medical records are readily available to the PLAN staff as requested.
- (b) HOSPITAL recognizes the possibility that PLAN, through the utilization management and quality improvement process, may be required to take action requiring consultation with its Medical Director or with other physicians prior to authorization of services or supplies or to terminate this Agreement.
- (c) In the interest of program integrity or the welfare of Members, PLAN may introduce additional utilization controls as may be necessary.
- (d) In the event of such change, a thirty (30) day notice will be given to the HOSPITAL. HOSPITAL will be entitled to appeal such action to the Quality and Utilization Advisory Committee, (QUAC), the Physician Advisory Group and then to the PLAN Board of Commissions.

2.1.7 HOSPITAL will apply standards established by PLAN's Quality Improvement and Utilization Management Programs in determining appropriate referrals, length of stay and discharge planning in a manner to affect the goals set forth in program descriptions and work plans of both programs.

2.1.8 Actions Against HOSPITAL. HOSPITAL will adhere to the requirements as set forth in the PLAN Provider Manual and notify PLAN by certified mail within fifteen (15) days of HOSPITAL's learning of any action taken which results in restrictions on HOSPITAL's provision of services regardless of the duration of the restriction or exclusion from participation in the Medicare Program in accordance with the Standards of Participation.

2.1.9 Data Requirements. HOSPITAL shall:

- (a) Financial and Accounting Records. Maintain, in accordance with standard and accepted accounting practices, financial and accounting records relating to services provided or paid for hereunder as will be necessary and

appropriate for the proper administration of this Agreement, the services to be rendered, and payments to be made hereunder or in connection herewith.

- (b) Encounter and Claims Data. Provide encounter and claims data for all services for each Member visit and hospitalization. Such data will be provided by HOSPITAL to PLAN in a form acceptable to PLAN at no cost, at least monthly, on a UB-04 Claim Form, other claim forms as may be designated by PLAN or by electronic transfer. All forms (data) submitted should contain the data elements as outlined in the PLAN Provider Manual.
  - (c) Reports. Submit reports as required by PLAN upon PLAN's reasonable written request.
- 2.1.10 Promotional Materials. HOSPITAL consents to be identified as a hospital in written materials published by PLAN, including without limitation, the provider directory and marketing materials prepared and distributed by PLAN. HOSPITAL may also post information on HOSPITAL's website and other related marketing materials that it is a contracted provider with the PLAN.
  - 2.1.11 Domestic Partners. Any HOSPITAL licensed in accordance with California Health & Safety Code Section 1250 will ensure that Members are permitted to be visited by the Member's domestic partner, the children of the Member's domestic partner, and the domestic partner of the Member's parent or child.
  - 2.1.12 HOSPITAL is not obligated hereunder to provide Members with inpatient, outpatient or emergency services that are not currently maintained by HOSPITAL due to religious or other reasons as of the effective date of this Agreement.
  - 2.1.13 HOSPITAL will retain the right, within its sole discretion, to alter, enlarge, reconstruct, modify, or shut down all or any part of its facilities, provided however, that written notice of any action described herein, which would materially affect the services available to Members hereunder, will be given to PLAN at least sixty (60) days prior to implementation of such change, and PLAN will have the right to terminate this Agreement upon providing HOSPITAL with thirty (30) days prior written notice in accordance with Section 9 of this Agreement.
  - 2.1.14 Hospital Admission. Hospital agrees to notify PLAN Utilization Management Department within forty-eight (48) hours of all in-patient admissions.
  - 2.1.15 Concurrent Review. HOSPITAL will cooperate with PLAN in conducting concurrent review of in-patient services provided to members. PLAN UM nurses may conduct onsite review in addition to HOSPITAL UM Staff providing periodic updates of member's medical condition to PLAN. HOSPITAL agrees to retrospective review of members medical records when concurrent review was not available. Hospital agrees to use nationally recognized criteria, PLAN UM guidelines developed and approved by the Quality/Utilization Advisory Committee (Q/UAC) and applicable laws and regulations to determine

appropriateness of all admission as well as in the determination of medical necessity for the continuation of all hospital stays.

- 2.1.16 Discharge Planning. HOSPITAL will continue to be responsible for discharge planning and will make reasonable efforts to cooperate with PLAN discharge planning efforts. HOSPITAL will only discharge a Member when the Member is clinically stable for discharge and HOSPITAL has performed Sufficient Discharge Planning.
- 2.1.17 Grievances and Appeals. HOSPITAL will cooperate with PLAN in identifying, processing and resolving all Member complaints and grievances in accordance with the Plan grievance policy and procedure set forth in the Provider Manual and Quality Improvement Program.

2.2 PLAN is responsible for:

- 2.2.1 Administration and Provision of Data. PLAN shall perform all administrative, accounting, enrollment, eligibility verification and other functions necessary or appropriate for the operation, administration and marketing of the PLAN and consistent with the terms of this Agreement. PLAN shall provide HOSPITAL with management information and data reasonably necessary to carry out the terms and conditions of this Agreement and for the operation of the PLAN. PLAN shall promote population health by sharing applicable data with HOSPITAL. Parties shall meet and confer about what data and format will work.
- 2.2.2 Enrollment and Eligibility Verification. Members shall be enrolled in the Medicare Program in accordance with applicable State and Federal Laws. PLAN shall determine the identity and eligibility of all Members. Upon request by HOSPITAL, either before or after providing Hospital Services to Members, PLAN shall verify that a Member is eligible for benefits under the PLAN in accordance with procedures set forth in the Provider Manual.
- 2.2.3 Quality Assurance and Utilization Management Programs. PLAN shall establish and maintain a Quality Assurance Program, including a Quality Assurance Committee, for the purpose of evaluating, monitoring and improving the quality of clinical care and services provided to Members by HOSPITAL and other Participating Providers. The Quality Assurance Program shall be established and operated in accordance with applicable State and Federal Laws and the standards of applicable Accreditation Organizations. PLAN shall also establish and maintain a Utilization Management Program to provide for prior authorization for referrals for Covered Services and admissions for HOSPITAL Services, concurrent utilization review for HOSPITAL Services, and retrospective utilization review for Emergency Services and Urgently Needed Services. The Utilization Management Program shall be established and operated in accordance with applicable State and Federal Law and the standards of applicable Accreditation Organizations.

**SECTION 3.**  
**SCOPE OF SERVICES**

- 3.1 **Access to Covered Service.** HOSPITAL will provide available Medically Necessary Covered Services on a readily available and accessible basis 24-hours a day in accordance with PLAN policies and procedures as set forth in the Provider Manual. HOSPITAL agrees to render quality medical services consistent with community standards of care to Medicare Members.
- 3.2 **Confirmation of Eligibility.** Prior to rendering services to Members, HOSPITAL will confirm Members' eligibility by a) accessing the PLAN web-based eligibility, b) checking the PLAN automated eligibility telephone service and/or c) contacting PLAN member services department directly. If patient holds himself out to be a Member, HOSPITAL will attempt to verify eligibility by following the above procedures. If HOSPITAL is unable to verify the purported Member's eligibility, HOSPITAL will render any Urgent Care necessary. At the first available opportunity, HOSPITAL will again attempt to verify eligibility. Eligibility may not be retroactively denied once approved.
- 3.3 **Emergency Services.** HOSPITAL will provide Emergency Services to Member's in accordance with PLAN policies and procedures, as set forth in the PLAN Provider Manual, and Utilization Management Program.
- 3.3.1 PLAN will reimburse HOSPITAL for treatment and services rendered by HOSPITAL's Emergency Department hereunder in accordance with Attachment B of this Agreement and in accordance with PLAN Provider Manual policies and procedures.
- 3.3.2 HOSPITAL will make reasonable efforts to notify the Member's assigned Primary Care Physician immediately upon treatment and PLAN within 24-hours of treatment or next business day in accordance with PLAN Provider Manual, policies and procedures and Utilization Management Program.
- 3.3.3 HOSPITAL and PLAN understand that authorization is not required prior to rendering Emergency Services.

**SECTION 4.**  
**EXCLUSIONS FROM AND LIMITATIONS OF COVERED SERVICES**

- 4.1 **Services Not Payable.** Members in need of services, that are not Covered Services will not be eligible for reimbursement by the PLAN.
- 4.2 **Services Neither Covered nor Compensated.** Subject to those exclusions from Covered Services, HOSPITAL understands that HOSPITAL will not be obligated to provide Members with, and the PLAN will not be obligated to reimburse HOSPITAL for the following Excluded Services:

- (a) Dental Services, as defined in Title 22 CCR Section 51307(a). However, medical services necessary to support dental services are Covered Service for Members and are not excepted;
- (b) Home and community based services and Department of Developmental Services Administered Medicaid Home and Community Based Services, Multipurpose Senior Services as defined in the California Welfare and Institutions Code Section 9400 et seq., Adult Day Health Care Services as defined in Title 22 CCR Section 54001, Pediatric Day Health Care Services as defined in Title 22 CCR Section 51184(j), alcohol and drug treatment program services (including outpatient heroin detoxification), and Local Education Authority Services as defined in Title 22 CCR Sections 51360 and 51190.
- (c) Short-Doyle/Medi-Cal mental health services (inpatient and outpatient), Medi-Cal specialty mental health services and services provided by specialty mental health providers (inpatient and outpatient); provided, however, the following are Covered Services for Members and are not excepted: (i) outpatient mental health services within the Primary Care Physician's scope of practice, (ii) emergency room professional services except services provided by specialty mental health providers, (iii) facility charges for emergency room visits which do not result in a psychiatric admission, (iv) laboratory and radiology services necessary for the diagnosis, monitoring or treatment of a Member's mental health condition, (v) emergency medical transportation for emergency mental health services, (vi) certain prescribed non-emergency medical transportation services to access mental health services, (vii) initial health history and physical assessments required upon admission for psychiatric inpatient hospital stays and consultations related to Medically Necessary Covered Services, and (viii) psychotherapeutic drugs that are covered by the Medicare.
- (d) Services rendered in a State or Federal governmental hospital;
- (e) Laboratory services provided under the State serum alpha fetoprotein testing program administered by the Genetic Disease Branch of the Department of Health Care Services;
- (f) Fabrication of optical lenses;
- (g) Targeted Case Management Services as specified in Title 22 CCR Sections 51185 and 51351;
- (h) Direct Observed Therapy for tuberculosis;
- (i) Personal Care Services defined in Title 22 CCR Sections 51183 and 51350;

- (j) Certain Human Immunodeficiency Virus (HIV), Acquired Immune Deficiency (AIDS), and psychotherapeutic drugs
- (k) Other Services as may be determined by the PLAN, and as noticed to participating Hospital. In the event of such a change, a thirty (30) day notice will be given to the Hospital.

**SECTION 5.**  
**REIMBURSEMENT, ACCOUNTS, REPORTING AND RECOVERIES**

- 5.1 Payment for Authorized Services Only. The PLAN will reimburse HOSPITAL for Medically Necessary Covered Services, after prior-authorization is received from PLAN or its designee (for non-emergent Covered Services), in conformance with the Provider Manual and the schedule in Attachment B of this Agreement.
- 5.1.1 PLAN and HOSPITAL agree that PLAN is responsible for payment of emergency services, and that, except for emergencies, HOSPITAL shall not be entitled to reimbursement for any Covered Services provided to a Member unless HOSPITAL has obtained the necessary authorization from PLAN in accordance with PLAN's Provider Manual policies and procedures.
  - 5.1.2 The Member's attending physician will determine the need for acute care in accordance with usual standards of medical practice in the community nationally recognized criteria, PLAN Utilization Management (UM) guidelines developed and approved by the Quality Assurance Committee and California Department of Health and Welfare Code of Regulations Title 22.
  - 5.1.3 Member's attending physician will determine the Medically Necessary course of treatment to be provided in the HOSPITAL.
  - 5.1.4 Nothing in this Agreement is intended to create (nor shall it be construed to create) any right by PLAN or by PLAN's Participating Providers (except in their capacity as Members of HOSPITAL's medical staff) to interfere with the method(s) by which HOSPITAL or attending physicians render services hereunder.
  - 5.1.5 All rate changes or adjustments shall be made only if the parties have executed a formal amendment to Agreement to provide for same. Rates may not be adjusted without prior written approval of HOSPITAL.
- 5.2 Claims Submission. HOSPITAL shall submit a complete UB-04 form or submit complete data through electronic transfer, in accordance with the Provider Manual and Attachment B of this Agreement. Reimbursement will be made within thirty (30) calendar days of receipt of an uncontested claim which is accurate, complete and otherwise in accordance with the PLAN provider manual. PLAN shall request missing information related to an unclear claim within 30 calendar days of receipt of the initial claim. All unclear claims will be paid within 30 calendar days of receipt of the information necessary to

determine PLAN liability. After the requested information is submitted to the PLAN, the PLAN will either approve, deny or modify the amount to be reimbursed based on the information provided. The PLAN's claims adjudication process will not conflict with CMS' claims adjudication process. If the HOSPITAL does not submit the requested information to determine PLAN liability within 180 calendar days from the date of the request, the PLAN will notify the HOSPITAL that the claim remains pending as "unclean." All claims for Covered Services must be submitted to the PLAN within twelve (12) months from the date that service was provided. If for any reason it is determined that PLAN overpaid HOSPITAL, PLAN may deduct monies in the amount equal to the overpayment from any future payments to HOSPITAL using an industry standard process so that HOSPITAL is clearly aware how to interpret the claims activity.

5.2.1 A summary report will accompany each check identifying the Members who received Covered Services from HOSPITAL and the appropriate amount of reimbursement disbursed per Member.

5.2.2 HOSPITAL agrees not to submit separate claims for reimbursement for Medicare Members who receive outpatient and emergency medical services during the same calendar day as in-patient admission of the Medicare Member to the HOSPITAL.

5.3 Entire Payment. HOSPITAL will accept from PLAN compensation as payment in full and discharge of PLAN's financial liability for Covered Services provided to eligible PLAN Members by HOSPITAL, and will be reimbursed as listed hereunder in those amounts set forth and in the manner and at the times as specified in Attachment B of this Agreement and in accordance with PLAN Provider Manual policies and procedures. HOSPITAL will look only to PLAN for such compensation with the exception of copayments, coinsurance and deductibles. PLAN has the sole authority to determine reimbursement policies and methodology of reimbursement under this Agreement.

5.4 Member Hold Harmless. HOSPITAL will not submit claims to or demand or otherwise collect reimbursement from a Member, or from other persons on behalf of the Member, for any service included in the program's Covered Services in addition to a claim submitted to the PLAN for that service. Furthermore, HOSPITAL will hold harmless DHCS, CMS and Members in the event PLAN cannot or will not pay for services provided by HOSPITAL under this Agreement.

5.5 Coordination of Benefits. DHCS and CMC are the payors of last resort recognizing Other Health Coverage as primary carrier. HOSPITAL must bill the primary carrier before billing PLAN for reimbursement of Covered Services and, with the exception of authorized share of cost payments, will at no time seek compensation from Members. The HOSPITAL may look to the Member for non-covered services.

5.5.1 The determination of liability will be in accordance with the usual procedures employed by the appropriate Governmental Agencies and applicable law, the Medicare Provider Manual, and the Provider Manual.

- 5.5.2 The authority and responsibility for Coordination of Benefits will be carried out in accordance with applicable law.
  - 5.5.3 HOSPITAL will make best efforts to report to PLAN the discovery of third party insurance coverage for a Medicare Member within five (5) business days of discovery.
  - 5.5.4 HOSPITAL will recover directly from Medicare for reimbursement of medical services rendered. Medicare payments will be reported to the PLAN on the UB04 encounter form or electronic transfer tape as indicated in the Provider Manual.
  - 5.5.5 For all enrollees eligible for both Medicare and Medicaid, enrollees will not be held liable for Medicare Part A and B cost sharing when the State is responsible for paying such amounts. Providers will be informed of Medicare and Medicaid benefits and rules for enrollees eligible for Medicare and Medicaid. Downstream Provider may not impose cost-sharing that exceeds the amount of cost-sharing that would be permitted with respect to the individual under title XIX if the individual were not enrolled in such a plan. Providers will: (1) accept the MA plan payment as payment in full, or (2) bill the appropriate State source. [42 C.F.R. §§ 422.504(i)(3)(i) and 422.504(g)(1)(i)].
- 5.6 Third Party Liability Tort. In the event that HOSPITAL provides services to Members for injuries or other conditions resulting from the acts of third parties, the Plan will have the right to recover from any settlement, award or recovery from any responsible third party the value of all Covered Services which have been rendered by HOSPITAL pursuant to the terms of this Agreement.
- 5.6.1 HOSPITAL will cooperate with the PLAN in their efforts to obtain information and collect sums due as result of third party liability tort, including Workers' Compensation claims for Covered Services.
  - 5.6.2 HOSPITAL will make best efforts to report to PLAN the discovery of third party tort action for a Member within five (5) business days of discovery.
- 5.7 Subcontracts
- 5.7.1 All subcontracts between HOSPITAL and HOSPITAL's subcontractors pertaining to the provision of Covered Services under this Agreement ("Subcontractors") will be in writing, and will be entered into in accordance with the requirements of DHCS, CMS and, Health and Safety Code Section 1340 et seq.; Title 28, CCR, Section 1300 et seq.; and any other applicable federal and State laws and regulations.
  - 5.7.2 All such subcontracts and their amendments will become effective only upon written approval by PLAN and will fully disclose the method and amount of compensation or other consideration to be received by the Subcontractor from the HOSPITAL.

HOSPITAL will notify the PLAN when any subcontract is amended or terminates. HOSPITAL will make available to PLAN and Governmental Agencies, upon request, copies of all agreements between HOSPITAL and Subcontract(s) for the purpose of providing Covered Services.

- 5.7.3 All agreements between HOSPITAL and any Subcontractor will require Subcontractor to comply with the following:
- (a) Records and Records Inspection. Make all applicable books and records available at all reasonable times for inspection, examination or copying by the Governmental Agencies; and, retain such books and records for a term of at least ten (10) years from the close of DHCS' fiscal year in which the Subcontract is in effect and submit to HOSPITAL and PLAN all reports required by HOSPITAL, PLAN or DHCS.
  - (b) Surcharges. Subcontractor will not collect a Surcharge for Covered Services for a Member or other person acting on their behalf. If a Surcharge erroneously occurs, Subcontractor will refund the amount of such Surcharge to the Member within fifteen (15) business days of the occurrence and will notify PLAN of the action taken. Upon notice of any Surcharge, PLAN will take appropriate action consistent with the terms of this Agreement to eliminate such Surcharge, including, without limitation, repaying the Member and deducting the amount of the Surcharge and the expense incurred by PLAN in correcting the payment from the next payment due to HOSPITAL.
  - (c) Notification. Notify the PLAN in the event the agreement with Subcontract is amended or terminated. Notice will be given in the manner specified in Section 10.4 (Notices) below.
  - (d) Assignment. Agree that assignment or delegation of the subcontract will be void unless prior written approval is obtained from the PLAN.
  - (e) Additional Requirements. Be bound by the provisions of Section 9.7 (Survival of Obligations After Termination), and Section 7 (Hospital Indemnification), and any other provisions of this Agreement that state that they apply to subcontractors.

## **SECTION 6.**

### **RECORDS AND CONFIDENTIALITY**

- 6.1 Maintenance of Records. HOSPITAL shall maintain books, charts, documents, papers, reports, management information systems, procedures and records (including, but not limited to, financial, accounting, and administrative records, patient medical records, encounter data, prescription files, laboratory results, subcontracts and Authorizations) and supporting documentation related to Members and Services provided hereunder to Members both medical and non-medical, to the cost thereof, to the manner and amount of payments,

including payments received from Members or others on their behalf, to the manner in which HOSPITAL administers its daily business, and to the financial condition of HOSPITAL ("Records"). Records include notes, documents, reports and other information related to Provider disputes and determinations. HOSPITAL shall maintain Records in accord with the general standards applicable to that book or record keeping, and shall ensure that an individual is responsible for securing and maintaining such Records. Records shall be legible, current, organized, accurate, comprehensive, and kept in a secure location with detail (i) consistent with appropriate medical and professional practice and prevailing community standards, (ii) which permits effective internal professional review and external medical audit process, and (iii) which facilitates an adequate system for follow-up treatment. The Member's medical record shall reflect (i) whether the Member has executed an advance directive, (ii) the language needs of the Member, and (iii) any request for, offer of and refusal of language interpretation services. The Provider Manual outlines additional Medical Records requirements. HOSPITAL shall be fully bound by the requirements in Title 42 of the Code of Federal Regulations, relating to the maintenance and disclosure of Member Records received or acquired by federally assisted alcohol or drug programs. HOSPITAL shall preserve Records for the longer of (i) ten (10) years after termination of this Agreement, and (ii) the period of time required by state and federal law and Membership Contracts, including the period required by, to the extent applicable, the Knox-Keene Act and Regulations, and by the Medicare Program, unless a longer period is stipulated. If there is any litigation, claim, negotiation, audit, review, examination, evaluation, or other action pending at the end of such period, then HOSPITAL shall retain said Records until such action is completed.

6.2 Access to and Copies of Records. PLAN and its authorized agents shall have access to and may inspect the Records, subject to reasonable request and notification requirements, and subject to any legal requirements regarding confidentiality. HOSPITAL shall transmit Record information by fax when requested. HOSPITAL shall provide copies of Records to PLAN upon request, at no charge for the first copy and at Twenty-five cents (\$.25) per page for any additional copies. HOSPITAL shall, subject to any legal requirements regarding confidentiality, provide access to Records and other information as required by Government Officials and accrediting organizations. Medical Records for Members shall be available to providers at Member encounters as set forth in Title 28 CCR Section 1300.67.1 (c). Members shall have access to their Medical Records, and where legally appropriate, may receive copies of, amend, or correct their Medical Records. HOSPITAL shall provide any notice to, or obtain any consent from, Members or, as appropriate, persons authorized to consent on behalf of Members, as may be required by any applicable federal or State laws and regulations, including the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and the California Medical Information Act ("CMIA"), regarding the receipt, use and disclosure of Protected Health Information and Medical Information, as those terms are defined in HIPAA and CMIA respectively.

6.3 Copies of Clinical Information. For all Members receiving covered Services, HOSPITAL will promptly forward copies of initial consultation reports upon completion of consult, and summaries of patient care or patient results upon completion of patient care or discharge, to the Member's Primary Care Physician. HOSPITAL shall provide copies of such clinical information to the Primary Care Physician at no charge.

6.4 Disclosure to Government Officials. HOSPITAL shall comply with all provisions of law regarding access to books, documents and records. Without limiting the foregoing, HOSPITAL shall maintain, provide access to, and provide copies of Records, this Agreement and other information to the Director of the Department, DHCS, External Quality Review Organizations, the Bureau of State Audits, the State Auditor, the Joint Legislative Audit Committee, the California Department of General Services, the California Department of Industrial Relations, certified Health Plan Employer Data Information Set ("HEDIS") auditors from the National Committee on Quality Assurance, the California Cooperative Healthcare Reporting Initiative, the U.S. Department of Justice, the Secretary of the U.S. Department of Health and Human Services, the U.S. Comptroller General, the Centers for Medicare and Medicaid Services, Peer Review Organizations, their designees, representatives, auditors, vendors, consultants and specialists and such other officials entitled by law (collectively, "Government Officials") as may be necessary for compliance by PLAN with the provisions of all state and federal laws and contractual requirements governing PLAN, including, but not limited to, the Act and the regulations promulgated thereunder and the requirements of Medicare program. Such information shall be available for inspection, examination and copying at all reasonable times at HOSPITAL's place of business or at some other mutually agreeable location in California. Copies of such information shall be provided to Government Officials promptly upon request. The disclosure requirement includes, but is not limited to, the provision of information upon request by DHCS, subject to any lawful privileges, relating to threatened or pending litigation by or against DHCS. HOSPITAL shall use all reasonable efforts to immediately notify DHCS of any subpoenas, document production requests, or requests for records received by HOSPITAL related to this Agreement.

#### 6.5 Reporting

6.5.1 HOSPITAL, upon reasonable advance request, shall supply PLAN or PLAN's designated agent with periodic reports and information pertaining to (i) Services provided to Members by HOSPITAL or its subcontracted health care providers, (ii) Provider directory and network information, and (iii) HOSPITAL's financial resources, on such forms and within such times as requested by PLAN, and which will enable PLAN to meet all federal and state legal and contractual reporting requirements. HOSPITAL shall also supply PLAN with other reports as reasonably requested.

6.5.2 HOSPITAL certifies and warrants that all reports, invoices, papers, documents, books of account, instruments, data, information, forms of evidence and other Records submitted to Plan or Government Officials pursuant to this Agreement are current, accurate, timely, true, complete and in full compliance with legal and contractual requirements, and do not contain any material misrepresentations or omissions. HOSPITAL shall immediately notify PLAN if any of HOSPITAL's certifications and warranties cease to be true at any time during the term of this Agreement.

#### 6.6 Confidentiality of Information

- 6.6.1 Notwithstanding any other provision of this Agreement, names of Members receiving public social services hereunder are confidential and are to be protected from unauthorized disclosure. For the purpose of this Agreement, all information, records, data, and data elements collected and maintained for the operation of the Agreement and pertaining to Members shall be protected by HOSPITAL from unauthorized disclosure. HOSPITAL and its employees, agents, and subcontractors shall protect from unauthorized disclosure names and other identifying information concerning persons either receiving services pursuant to this Agreement or persons whose names or identifying information become available or are disclosed to HOSPITAL, its employees, agents, or subcontractors as a result of services performed under this Agreement, except for statistical information not identifying any such person.
- 6.6.2 With respect to any identifiable information concerning any Member or person that is obtained by HOSPITAL, HOSPITAL, its employees, agents and subcontractors (i) will not use any such information for any purpose other than carrying out the express terms of HOSPITAL's obligations under this Agreement, (ii) will promptly transmit to PLAN all requests for disclosure of such information except Member requests for Medical Records in accordance with applicable law, and (iii) will not disclose except as specifically permitted by this Agreement, any such information to any party other than PLAN or DHCS, without prior written authorization specifying that the information is releasable under Title 42, and regulations adopted thereunder, and (iv) will, at the expiration or termination of this Agreement, return all such information to PLAN or maintain such information according to written procedures sent to PLAN by DHCS for this purpose. Upon PLAN's request, HOSPITAL shall provide a signed Declaration of Confidentiality in the format set forth in the Provider Manual, prior to the Effective Date.
- 6.6.3 HOSPITAL shall comply with all federal, state and local laws which provide for the confidentiality of Records and other information. HOSPITAL shall not disclose any confidential Records or other confidential information received from PLAN or Government Officials or prepared in connection with the performance of this Agreement, unless PLAN or Government Officials specifically permits HOSPITAL to disclose such Records or information. HOSPITAL shall promptly transmit to PLAN any and all requests for disclosure of such confidential Records or information. HOSPITAL shall not use any confidential information gained by HOSPITAL in the performance of this Agreement except for the sole purpose of carrying out HOSPITAL's obligations under this Agreement. HOSPITAL shall comply with Title 42 and all other applicable provisions of law which provide for the confidentiality of records and prohibit their being opened for examination for any purpose not directly connected with the administration of public social services. Whether or not covered by such sections, confidential medical or personnel records and the identities of clients and complainants shall not be disclosed unless there is proper consent to such disclosure or a court order requiring disclosure. Confidential information gained by HOSPITAL from access to any such records, and from contact with its clients and complainants, shall be used by HOSPITAL only in connection with its conduct of the program under this Agreement.

- 6.6.4 HOSPITAL shall protect the security and confidentiality of all eligibility and enrollment data and all other personal information and protected health information about Members in accordance with the Information Practices Act, Civil Code Section 1798 et seq., and all other applicable State and federal laws and regulations, including the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and the regulations promulgated thereunder. All financial, statistical, personal, technical and other data and information relating to the State's operations which are designated confidential by the State and which become available to HOSPITAL shall be protected by HOSPITAL from unauthorized use and disclosure. HOSPITAL shall not use any individual identifiable information or other confidential information for any purpose other than carrying out the provisions of this Agreement. Upon request by PLAN, HOSPITAL shall provide a copy of its policies and procedures for preserving the confidentiality of medical records, as outlined in California Health and Safety Code Section 1364.5. HOSPITAL shall make itself available to DHCS at no cost to DHCS to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against DHCS, its directors, officers or employees based upon claimed violation of HIPAA, the HIPAA regulations or other laws relating to security and privacy, except where HOSPITAL is a named adverse party.

## SECTION 7.

### INSURANCE AND INDEMNIFICATION

- 7.1 Hospital Insurance. Throughout the term of this Agreement and any extension thereto, HOSPITAL will maintain appropriate insurance programs or policies as follows:
- 7.1.1 Each participating HOSPITAL covered by this Agreement will secure and maintain, at its sole expense, liability insurance, or other risk protection programs, in the amounts of at least ONE MILLION DOLLARS (\$1,000,000) per person per occurrence and THREE MILLION DOLLARS (\$3,000,000) in aggregate, including "tail coverage" in the same amounts whenever claims made malpractice coverage is involved.
- 7.1.2 Notification of PLAN by HOSPITAL of cancellation or material modification of the insurance coverage or the risk protection program will be made to PLAN at least thirty (30) days prior to any cancellation. Upon PLAN's request, documents evidencing professional liability insurance or other risk protection required under this Subsection will be provided to PLAN upon execution of this Agreement.
- 7.1.3 General Liability Insurance. In addition to Subsection 6.1.1 above, HOSPITAL will also maintain, at its sole expense, a policy or program of comprehensive liability insurance (or other risk protection) with minimum coverage including and no less than Three Hundred Thousand Dollars (\$300,000) per person for HOSPITAL'S property together with a Combined Single Limit Body Injury and Property Damage Insurance of not less than Three Hundred Thousand Dollars (\$300,000). Documents evidencing such coverage will be provided to PLAN upon request. The HOSPITAL

will arrange with the insurance carrier to have automatic notification of insurance coverage termination or modification given to PLAN.

- 7.1.4 Workers' Compensation. HOSPITAL'S employees will be covered by Workers' Compensation Insurance in an amount and form meeting all requirements of applicable provisions of the California Labor Code. Documents evidencing such coverage will be provided to PLAN upon request. The HOSPITAL will arrange with the insurance carrier to have automatic notification of insurance coverage termination or modification given to PLAN.
- 7.2 Plan Insurance. PLAN, at its sole cost and expense, will procure and maintain a professional liability policy to insure PLAN and its agents and employees, acting within the scope of their duties, in connection with the performance of PLAN's responsibilities under this Agreement.
- 7.3 Hospital Indemnification. HOSPITAL shall indemnify and hold harmless PLAN its officers, directors, agents, and employees, from and against any and all loss, damage, liability, or expense (including without limitation, reasonable attorney's fees), of any kind arising by reason of the acts or omissions of HOSPITAL and its officers, directors, agents, employees, agents and shareholders acting alone or in collusion with others. HOSPITAL also agrees to hold harmless both the State and Members in the event that PLAN cannot or will not pay for services performed by HOSPITAL pursuant to this Agreement. The terms of this section shall survive the termination of this Agreement.
- 7.4 PLAN Indemnification: PLAN shall indemnify and hold harmless HOSPITAL its officers, directors, agents, and employees, from and against any and all loss, damage, liability, or expense (including without limitation, reasonable attorney's fees), of any kind arising by reason of the acts or omissions of PLAN and its officers, directors, agents, employees, agents and shareholders acting alone or in collusion with others. The terms of this section shall survive the termination of this Agreement.

## **SECTION 8.** **DISPUTE RESOLUTION**

- 8.1 Dispute Resolution. For disputes unresolved by the PLAN provider appeals process, PLAN and HOSPITAL agree to meet and confer in good faith to resolve any disputes that may arise under or in connection with this Agreement. In all events and subject to the provisions of this Section which follow, HOSPITAL shall be required to comply with the provisions of the Government Claims Act (Government Code Section 900, et. seq.) with respect to any dispute or controversy arising out of or in any way relating to this Agreement or the subject matter of this Agreement (whether sounding in contract or tort, and whether or not involving equitable or extraordinary relief) (a "Dispute").

- 8.2 **Judicial Reference.** The parties may mutually agree in writing (but shall not be obligated to agree) that a Dispute shall be heard and decided by a referee appointed pursuant to California Code of Civil Procedure Section 638 (or any successor provision thereto, if applicable), who shall hear and determine any and all of the issues in any such action or proceeding, whether of fact or law, and to report a statement of decision, subject to judicial review and enforcement as provided by California law, and in accordance with Chapter 6 (References and Trials by Referees), of Title 8 of Part 2 of the California Code of Civil Procedure, or any successor chapter. The referee shall be a retired judge of the California superior or appellate courts determined by agreement between the parties, provided that in the absence of such agreement either party may bring a motion pursuant to the said Section 638 for appointment of a referee before the appropriate judge of the Sacramento Superior Court. The parties acknowledge that they forego any right to trial by jury in any judicial reference proceeding. The parties agree that the only proper venue for the submission of claims to judicial reference shall be the courts of general jurisdiction of the State of California located in Los Angeles. The parties reserve the right to contest the referee's decision and to appeal from any award or order of any court. The designated non prevailing party in any Dispute shall be required to fully compensate the referee for his or her services hereunder at the referee's then respective prevailing rates of compensation. For the avoidance of doubt, neither party shall be obligated or required to submit the Dispute to judicial reference, arbitration or any other alternative dispute resolution procedure.
- 8.3 **Limitations.** Notwithstanding anything to the contrary contained in this Agreement, any suit, judicial reference or other legal proceeding must be initiated within one (1) year after the date the Dispute arose or such Dispute shall be deemed waived and forever barred; provided that, if a shorter time period is prescribed under the Government Claims Act (Government Code Section 900, et. seq.), then, the shorter time period (if any) prescribed under the Government Claims Act shall apply.
- 8.4 **Venue.** Unless otherwise specified in this Section, all actions and proceedings arising in connection with this Agreement shall be tried and litigated exclusively in the state or federal (if permitted by law and a party elects to file an action in federal court) courts located in the County of Sacramento California.

## **SECTION 9.** **TERM AND TERMINATION**

- 9.1 **Initial Term and Renewal.** This Agreement shall be effective as of the Effective Date and shall remain in effect for a term of one (1) year, and will thereafter renew automatically for one (1) year terms unless terminated sooner as set forth below.
- 9.2 **Termination Without Cause.** HOSPITAL or PLAN may terminate this Agreement without cause at any time upon providing the other party with ninety (90) days prior written notice.
- 9.3 **Immediate Termination for Cause by PLAN.** The PLAN may terminate this Agreement immediately by written notice to HOSPITAL upon the occurrence of any of the following events:

- 9.3.1 The suspension or revocation of HOSPITAL'S license; or
  - 9.3.2 HOSPITAL fails to meet PLAN Credentialing Criteria;
  - 9.3.3 The discontinuance by HOSPITAL of the provision of Covered Services as confirmed and agreed by both parties hereto; or
  - 9.3.4 If PLAN determines pursuant to procedures and standards adopted in its Utilization Management Program or Quality Improvement Program that HOSPITAL has provided or arranged for the provision of services to Members which are not medically necessary or provided or failed to provide Covered Services in a manner which violates any provision of this Agreement or the Provider Manual; or
  - 9.3.5 If PLAN determines that the continuation hereto constitute as a threat to the health, safety or welfare of any Member; or
  - 9.3.6 If PLAN determines that HOSPITAL has filed a petition for bankruptcy or reorganization, insolvency, as defined by law, or PLAN determines that HOSPITAL is unable to meet financial obligations as described in this Agreement; or
  - 9.3.7 If HOSPITAL breaches Section 10.10 (Marketing Activity and Patient Solicitation) (such breach of said Section 10.10 shall not be subject to the cure specified in Section 9.4 (Termination for Cause with Cure Period)).
- 9.4 Immediate Termination for Cause by HOSPITAL. The HOSPITAL may terminate this Agreement immediately by written notice to PLAN upon the occurrence of any of the following events:
- 9.4.1 revocation of PLAN's license necessary for the performance of this Agreement;
  - 9.4.2 PLAN breaches any material term, covenant, or condition of this Agreement.
  - 9.4.3 PLAN's stop-loss insurance, reinsurance or insolvency insurance is canceled or not renewed.
- 9.5 Termination for Cause With Cure Period. In the event of a material breach by either party other than those material breaches set forth in Section 9.3 (Immediate Termination for Cause by Plan) above of this Agreement, the non-breaching party may terminate this Agreement upon thirty (30) days written notice to the breaching party setting forth the reasons for such termination; provided, however, that if the breaching party cures such breach within twenty (20) days of receipt of this notice, then this Agreement will not be terminated because of such breach unless the breach is not subject to cure.
- 9.6 Continuation of Services Following Termination. Should this Agreement be terminated, HOSPITAL will, upon mutual agreement, continue to provide Covered Services to Members who are under the care of HOSPITAL at the time of termination until the services being rendered to the Members by HOSPITAL are completed, unless PLAN has made

appropriate provision for the assumption of such services by another hospital. HOSPITAL will ensure an orderly transition of care for Members, including but not limited to the transfer of Member medical records. Payment by PLAN for the continuation of services by HOSPITAL after the effective date of termination will be subject to the terms and conditions set forth in this Agreement including, without limitation, the compensation provisions herein. The costs to HOSPITAL of photocopying such records will be reimbursed by the PLAN at a cost not to exceed \$.25 per page.

- 9.7 Member Notification Upon Termination. Notwithstanding Section 9.3 (Immediate Termination for Cause by PLAN), upon the receipt of notice of termination by either PLAN or HOSPITAL, and in order to ensure the continuity and appropriateness of medical care to Medicare Members, PLAN at its option, may immediately inform Members of such termination notice.
- 9.8 Survival of Obligations After Termination. Termination of this Agreement will not affect any right or obligations hereunder which will have been previously accrued, or will thereafter arise with respect to any occurrence prior to termination. Such rights and obligations will continue to be governed by the terms of this Agreement. The following obligations of HOSPITAL will survive the termination of this Agreement regardless of the cause giving rise to termination and will be construed for the benefit of the Member: a) Section 9.5, Continuation of Services Following Termination; b) Section 6, Records And Confidentiality; and, c) Section 7.3, HOSPITAL Indemnification. Such obligations and the provisions of this Section will supersede any oral or written agreement to the contrary now existing or hereafter entered into between HOSPITAL and any Member or any persons acting on their behalf. Any modification, addition, or deletion to the provisions referenced above or to this Section will become effective on a date no earlier than thirty (30) days after the DHCS has received written notice of such proposed changes. HOSPITAL will assist PLAN in the orderly transfer of Members to other Participating Hospitals.
- 9.9 Access to Medical Records Upon Termination. Upon termination of this Agreement and request by PLAN, HOSPITAL will allow the copying and transfer of medical records of each Member to the HOSPITAL assuming the Member's care at termination. Such copying of records will be at PLAN's expense if termination was not for cause. PLAN will continue to have access to records in accordance with the terms hereof.
- 9.10 Interruption of Services. Should a substantial part of the services which HOSPITAL has agreed to provide hereunder be interrupted for a period in excess of thirty (30) days, PLAN shall have the right to terminate this Agreement upon providing ten (10) days prior written notice to HOSPITAL.
- 9.10.1 In the event the operations of HOSPITAL's facilities, or any substantial portion thereof, are interrupted by war, fire, insurrection, riots, the elements, earthquakes, acts of God, or without limiting the foregoing, any other cause beyond the control of HOSPITAL, the HOSPITAL shall be relieved of its obligations with respect to the provisions of this Agreement (or such portions hereof which HOSPITAL is thereby rendered incapable of performing) for the duration of such interruptions.

9.10.2 Nothing contained herein shall be construed to limit or reduce PLAN's obligation to pay HOSPITAL for Covered Services rendered to Members prior to or subsequent to an event described herein.

**SECTION 10.**  
**GENERAL PROVISIONS**

- 10.1 **Assignment.** Neither party may assign its rights, duties or obligations under this Agreement, either in whole or in part, without the prior written consent of the other.
- 10.2 **Amendment.** This Agreement may be amended at any time upon written agreement of both parties. This Agreement may only be amended by the PLAN upon thirty (30) days written notice to the HOSPITAL if the amendment is required due to change in regulatory provisions. No obligation under this Agreement or an Attachment hereto may be waived by any party hereto except by an instrument in writing in the form of an Amendment.
- 10.2.1 If the HOSPITAL does not give written notice of termination within sixty (60) days, as authorized by Section 10.4 (Notices), HOSPITAL agrees that any such amendment by PLAN will be a part of the Agreement.
- 10.2.2 Unless HOSPITAL notifies PLAN that it does not accept such amendment, the amendment, will become effective sixty (60) days after the date of PLAN's notice of proposed amendment.
- 10.2.3 Notwithstanding the foregoing, PLAN may amend this Agreement with prior written notice to HOSPITAL in order to maintain compliance with State and Federal Law and the agreement. Such amendment shall be binding upon HOSPITAL and shall not require the consent of HOSPITAL.
- 10.3 **Severability.** If any term, provision, covenant, or condition of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions hereof will remain in full force and effect and will in no way be affected, impaired, or invalidated as a result of such decision.
- 10.4 **Notices.** All notices required or permitted to be given by this Agreement shall be in writing and may be delivered personally, by certified or registered U.S. Postal Service mail, return receipt requested, postage prepaid, or by U.S. Postal Service Express mail, Federal Express or other overnight courier that guarantees next day delivery, and shall be deemed sufficiently given if served in the manner specified in this Section. Notices shall be delivered or mailed to the parties at the addresses set forth beneath their respective names on the signature page of this Agreement. Each party may change its address by giving notice as provided in this Section. Notices given by certified or registered mail, return receipt requested, shall be deemed given on the date of delivery shown on the receipt card, or if no delivery date is shown, the postmark date. Notices delivered by U.S. Postal Service Express mail, Federal Express or overnight courier that guarantees next day delivery shall be deemed given twenty-four (24) hours after delivery of the notice to the U.S. Postal Service, Federal Express or overnight courier.

- 10.5 Entire Agreement. This Agreement, together with the Attachments and the PLAN Provider Manual, contains the entire agreement between PLAN and HOSPITAL relating to the rights granted and the obligations assumed by this Agreement. Any prior agreement, promises, negotiations or representations, either oral or written, relating to the subject matter of this Agreement not expressly set forth in this Agreement are of no force or effect.
- 10.6 Headings. The headings of articles and paragraphs contained in this Agreement are for reference purposes only and will not affect in any way the meaning or interpretation of this Agreement.
- 10.7 Governing Law. The laws of the State of California, the United States of America, and the contractual obligations of PLAN will govern the validity, construction, interpretation and enforcement of this Agreement. Any provision required to be in this Agreement by law, regulation, or the Plan-to-Plan Agreement will bind PLAN and HOSPITAL whether or not provided in this Agreement.
- 10.8 Treatment Alternatives. PLAN or HOSPITAL will not interfere with and will allow the physician-patient communication regarding appropriate treatment alternatives nor will a penalty be assessed to the physician for discussing medically necessary or appropriate medical care for the patient.
- 10.9 Reporting Fraud and Abuse. HOSPITAL is responsible for reporting all cases of suspected fraud and abuse, as defined in 42 CFR, Section 455.2, where there is reason to believe that an incident of fraud and/or abuse has occurred by Members or by PLAN contracted physicians within 10 days to PLAN for investigation.
- 10.10 Marketing Activity and Patient Solicitation. HOSPITAL will not engage in any activities involving the direct marketing of Members without the prior approval of PLAN and DHCS.
- 10.11 Direct Solicitation. HOSPITAL will not engage in direct solicitation of Members for enrollment, including but not limited to door-to-door marketing activities, mailers and telephone contacts.
- 10.12 Nondisclosure and Confidentiality. Both parties shall not disclose the payment provisions of this Agreement except as may be required by law.
- 10.13 Non-Exclusive Agreement. To the extent compatible with the provision of Covered Services to Members for which HOSPITAL accepts responsibility hereunder, HOSPITAL reserves the right to provide hospital services to persons who are not Members. Nothing contained herein will prevent HOSPITAL from participating in any other prepaid health care program.
- 10.14 Counterparts. This Agreement may be executed in two (2) or more counterparts, each one of which will be deemed an original, but all of which will constitute one and the same instrument.
- 10.15 HIPAA. HOSPITAL and PLAN each acknowledge that it is a "Covered Entity" as that term is defined in the Standards for Privacy of Individually Identifiable Health Information adopted by the U.S. Department of Health and Human Services, as modified (the "HIPAA

Privacy Rule"). Each party shall adequately protect the confidentiality of individually identifiable health information and shall comply with the HIPAA Privacy Rule and with all State and Federal Laws governing the confidentiality of Members' individually identifiable health information. If the HOSPITAL identifies any inappropriate uses of or breach of the HIPAA Privacy Rule with respect to PLAN or Members, the HOSPITAL must notify PLAN's Privacy Officer immediately.

## **SECTION 11.**

### **RELATIONSHIP OF PARTIES**

- 11.1 **Overview.** None of the provisions of this Agreement are intended, nor will they be construed to create, any relationship between the parties other than that of independent parties contracting with each other solely for the purpose of effectuating the provisions of this Agreement; neither is this Agreement intended, except as may otherwise be specifically set forth herein, to create a relationship of agency, representation, joint venture or employment between the parties. Unless mutually agreed, nothing contained herein will prevent HOSPITAL from independently participating as a provider of services in any other health maintenance organization or system of prepaid health care delivery.
- 11.2 **Oversight Functions.** Nothing contained in this Agreement will limit the right of PLAN to perform its oversight and monitoring responsibilities as required by applicable state and federal law, as amended.
- 11.3 **Relationship of HOSPITAL and Contracting Physicians.** It is expressly understood and agreed that no Contracting Physician or other physician shall be entitled to admit, or treat, or prescribe for Member in HOSPITAL if physician is not in good standing of HOSPITAL's Medical Staff with appropriate clinical privileges to admit and treat Members in HOSPITAL. Medical Staff membership and clinical privileges may be granted to Contracting Physicians by HOSPITAL's Governing Board, acting in conjunction with its Medical Staff, in accordance with the standards, procedures, and other provisions of HOSPITAL's Medical Staff Bylaws and the Rules and Regulations relating thereto which have been adopted by HOSPITAL's Medical Staff with the approval of said Board.
- 11.4 **HOSPITAL Privileges of PLAN Participating Physicians.** Nothing contained in this Agreement shall be construed to grant any greater rights to Participating Physicians with respect to the granting and retention of Medical Staff membership and privileges than are available to any other licensed physician; however, HOSPITAL agrees to consider, conforming to timelines in the applicable policies and procedures, any and all applications for Medical Staff membership or privileges submitted by physicians wishing to become a Participating Physician, but prevented from doing so for lack of privileges at a Primary Hospital. HOSPITAL shall render such decisions within one hundred and eighty (180) days of such application as long as the application is submitted with all requirements. Incomplete applications shall not follow this timeline. If application is denied, HOSPITAL shall submit to applicant, in writing, an explanation of the reasons for such denials.

HOSPITAL and any delegate performing the covenants of the HOSPITAL shall not deny medical staff membership or clinical privileges for reasons other than a physician's individual qualifications as determined by professional and ethical criteria, uniformly applied to all medical staff applicants and Members. Determination of medical staff membership or clinical privileges shall not be made upon the basis of:

11.4.1 The existence of a contract with the HOSPITAL or with others;

11.4.2 Membership in or affiliation with any society, medical group or teaching facility or upon the basis of any criteria lacking professional justification, such as sex, race, creed, disability, or national origin.

HOSPITAL shall henceforth notify PLAN when it revokes or modifies privileges of any physician who is also contracted with the PLAN. Written notification shall be submitted to the PLAN at the time of occurrence.

11.5 HOSPITAL does not waive the provisions of Evidence Code 1157 with regard to Medical Staff records.

## **SECTION 12.** **ADDITIONAL LEGAL REQUIREMENTS**

12.1 Compliance With Laws.

12.1.1 HOSPITAL represents, certifies and warrants that it is currently, and for the duration of this Agreement shall remain in compliance with all applicable local, State and federal laws and regulations as they become effective, including, but not limited to, those (i) regarding licensure and certification, (ii) necessary for participation in the Medicare Program, including the antifraud and abuse laws and regulations and the patient self-determination amendments of the Omnibus Budget Reconciliation Act of 1990, (iii) regarding advance directives including, but not limited to, Title 42 CFR Sections 422.128 and 438.6(i) and California Probate Code Sections 4673 to 4678 and Sections 4800 to 4806, and applicable regulations, (iv) regulating the operations and safety of facilities, including but not limited to, Title 22 CCR Section 53230, (v) regarding federal and State Occupational Health and Safety Administration (OSHA) standards, (vi) regarding communicable disease and immunization reporting, (vii) regarding not allowing smoking within any portion of any indoor facility used for the provision of health services for children as specified in the U.S. Pro-Children Act of 1994 (20 United States Code Section 6081 and following), (viii) regarding the provision of information to Members concerning Prostate Specific Antigen testing consistent with the standard set forth in California Business and Professions Code Section 2248, (ix) regarding provisions of the Health Insurance Portability and Accountability Act of 1996 and regulations, and provisions of the California Confidentiality of Medical Information Act, (x) set forth in Public Contract Code Section 6108 relating to the Sweat-free Code of Conduct, and (xi) relating to copyright laws. Payment under this Agreement will not be used

for the acquisition, operation or maintenance of computer software in violation of copyright laws.

- 12.1.2 As required by Title 31 U.S.C. Section 1352, if payments under this Agreement are \$100,000 or more, HOSPITAL certifies to the best of its knowledge and belief that no Federally appropriated funds have been paid or will be paid, by or on behalf of HOSPITAL, to any person for influencing or attempting to influence an officer or employee of any agency of the United States Government, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making, awarding or entering into of this Agreement, and the extension, continuations, renewal, amendment, or modification of this Agreement. If payments under this Agreement are \$100,000 or more, HOSPITAL shall submit to PLAN the "Certification Regarding Lobbying" set forth in the Provider Manual. If any funds other than Federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency of the United States Government, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Agreement, HOSPITAL shall complete and submit to PLAN standard form LLL, "Disclosure of Lobbying Activities" in accordance with its instructions. HOSPITAL shall file such disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by HOSPITAL. HOSPITAL shall require that the language of this certification be included in all subcontracts at all tiers which exceed \$100,000 and that all subcontractors shall certify and disclose accordingly. All such disclosure forms of subcontractors shall be forwarded to PLAN.
- 12.1.3 HOSPITAL shall not employ, maintain a contract with or contract with directly or indirectly, entities or individuals excluded, suspended or terminated from participation in the Medicare Program, for the provision of any Services to Members, including but not limited to, health care services, utilization review, medical social work, or administrative services with respect to Members.
- 12.1.4 HOSPITAL shall provide, as applicable, the ownership disclosure statement(s), the business transactions disclosure statement(s), the convicted offenses disclosure statement(s), and the exclusion from state or federal health programs disclosure statement(s), prior to the Effective Date, on an annual basis, upon any change in information, and upon request, if required by law or by PLAN's contract with other health plans for the provision of Medicare Services. Legal requirements include, but are not limited to, Title 22 CCR Section 51000.35, 42 USC Sections 1320 a-3 (3) and 1320 a-5 et seq., and 42 CFR Sections 455.104, 455.105 and 455.106. HOSPITAL shall also provide, as applicable, the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions" and shall comply with its instructions, if required by law. Such Debarment Certification and its instructions are set forth in the Provider Manual.

- 12.1.5 If HOSPITAL uses economic profiling information related to any of its individual physicians or other health care Practitioners, it shall provide a copy of such information related to an individual Practitioner, upon request, to that Practitioner in accordance with the requirements of Section 1367.02 of the California Health and Safety Code. Additionally, HOSPITAL, upon request, shall make available to PLAN its policies and procedures related to economic profiling used by HOSPITAL. The term "economic profiling" as used in this Section 7.1 (e) shall be defined in the same manner as that term is defined in Section 1367.02 of the Health and Safety Code. The requirement of this Section 7.1 (e) to provide a copy of economic profiling information to an individual Practitioner shall survive termination of this Agreement in accordance with Section 1367.02 of the Health and Safety Code.
- 12.1.6 HOSPITAL shall immediately notify PLAN of (i) investigations of HOSPITAL in which there are allegations relating to fraud, waste or abuse, and (ii) suspected cases where there is reason to believe that an incident of fraud, waste or abuse has occurred. HOSPITAL shall comply with PLAN's antifraud plan, including its policies and procedures relating to the investigation, detection and prevention of and corrective actions relating to fraud, waste and abuse. HOSPITAL represents, certifies and warrants that it is currently, and for the duration of this Agreement shall remain in compliance with all applicable State and federal laws and regulations designed to prevent or ameliorate fraud, waste and abuse including, but not limited to, applicable provisions of the federal and State civil and criminal law, Program integrity requirements at 42 CFR Section 438.608, the Federal False Claims Act (31 USC Section 3729 et seq.), Employee Education About False Claims Recovery (42 USC Section 1396a(a)(68)), the California State False Claims Act (California Government Code Section 12650 et seq.), and the anti- kickback statute (Section 1128B(b) of the Social Security Act).
- 12.1.7 If required by Health and Safety Code Section 1375.4, (1) HOSPITAL shall meet the financial requirements that assist PLAN in maintaining the financial viability of arrangements for the provision of Services in a manner that does not adversely affect the integrity of the contract negotiation process, (2) HOSPITAL shall abide by PLAN's process for corrective action plans if there is a deficiency, and (3) PLAN shall disclose information to HOSPITAL that enables HOSPITAL to be informed regarding the financial risk assumed under this Agreement. In cases where the Solvency Regulations apply (28 CCR Sections 1300.75.4 through 1300.75.4.8), PLAN and HOSPITAL shall meet the requirements set forth in such Regulations. Members may request general information from PLAN or HOSPITAL about any bonuses or incentives paid by PLAN, if applicable.
- 12.1.8 HOSPITAL shall maintain an organizational structure sufficient to conduct the proposed operations and ensure that its financial resources are sufficient for sound business operations. If applicable, HOSPITAL shall submit financial information consistent with the filing requirements of DMHC unless otherwise specified by DHCS. If HOSPITAL is required to file monthly financial statements with DMHC, then HOSPITAL shall simultaneously file monthly financial statements

with DHCS. In addition, HOSPITAL shall file monthly financial statements with DHCS upon request.

- 12.1.9 If payments under this Agreement are in excess of \$100,000, HOSPITAL shall comply with the following provisions unless this Agreement is exempt under 40 CFR Section 15.5. (i) HOSPITAL shall comply with all applicable standards, orders or requirements issued under section 306 of the Clean Air Act (42 USC Section 1857 (h)), section 508 of the Clean Water Act (33 USC Section 1368), Executive Order 11738, and the Environmental Protection Agency regulations (40 CFR Part 15). (ii) HOSPITAL shall comply with all applicable standards, orders, or requirements issued under the Clean Air Act (42 USC Section 7401 et seq.), as amended, and the Federal Water Pollution Control Act (33 USC Section 1251 et seq.), as amended.

## 12.2 Nondiscrimination.

- 12.2.1 HOSPITAL shall not discriminate against Members or deny benefits to Members, on the basis of race, color, creed, religion, language, sex, gender, marital status, political affiliation, ancestry, sexual orientation, sexual preference, national origin, health status, age (over 40), physical or mental disability, medical condition (including cancer), pregnancy, childbirth, or related medical conditions, veteran's status, income, source of payment, status as a Member of PLAN, or filing a complaint as a Member of PLAN. Members may exercise their patient rights without adversely affecting how they are treated by HOSPITAL. HOSPITAL shall not condition treatment or otherwise discriminate on the basis of whether a Member has executed an advance directive. HOSPITAL shall fully comply with all federal, state and local laws which prohibit discrimination, including but not limited to, Title VI of the Civil Rights Act of 1964, Title 45 CFR Part 91 the Age Discrimination Act of 1975, Section 504 of the Rehabilitation Act of 1973, 42 U.S.C. Section 2000(d), 45 C.F.R. Part 80 and 84, Title 28 CFR Part 36, Title IX of the Educational Amendments of 1973, California Government Code Section 11135, California Civil Code Section 51 and rules and regulations promulgated thereto, and all other laws regarding privacy and confidentiality. HOSPITAL shall provide reasonable access and accommodation to persons with disabilities to the extent required of a health services provider under the Americans with Disabilities Act and regulations, guidelines issued pursuant to the ADA, any applicable state law.
- 12.2.2 During the performance of this Agreement, HOSPITAL, its employees and agents, shall not unlawfully discriminate, deny benefits to, harass, or allow harassment against any employee or applicant for employment because of race, religion, color, national origin, ancestry, physical disability including Human Immunodeficiency Virus (HIV), Acquired Immune Deficiency Syndrome (AIDS), and AIDS-Related Complex (ARC), mental disability, medical condition (including health impairments related to or associated with cancer for which a person

has been rehabilitated or cured), marital status, political affiliation, age (over 40), sex, gender sexual preference, sexual orientation, pregnancy, childbirth, or related medical conditions, or the use of family and medical care leave and pregnancy disability leave pursuant to state and federal law. Hospital, its employees and agents, shall insure that the evaluation and treatment of its employees and applicants for employment are free of such discrimination and harassment. Hospital, its employees and agents, shall comply with the provisions of the Fair Employment and Housing Act (Government Code, Section 12900 (a-f), and following) and the applicable regulations promulgated there under (California Code of Regulations, Title 2, Section 7285.0 and following). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code Section 12990 (a-f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations are incorporated into this Agreement by reference and made a part hereof as if set forth in full. Hospital shall give written notice of its obligations under this clause to labor organizations with which it has a collective bargaining or other agreement.

12.2.3 Federal Equal Opportunity Requirements.

- (a) HOSPITAL will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era. HOSPITAL will take affirmative action to ensure that qualified applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, national origin, physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and career development opportunities and selection for training, including apprenticeship. HOSPITAL shall post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Federal Government or DHCS, setting forth the provisions of the Equal Opportunity clause, Section 503 of the Rehabilitation Act of 1973 and the affirmative action clause required by the Vietnam Era Veterans' Readjustment Assistance Act of 1974 (38 USC Section 4212). Such notices shall state HOSPITAL's obligation under the law to take affirmative action to employ and advance in employment qualified applicants without discrimination based on their race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era and the rights of applicants and employees.
- (b) HOSPITAL will, in all solicitations or advancements for employees placed by or on behalf of HOSPITAL, state that all qualified applicants will receive consideration for employment without regard to race, color, religion,

sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era.

- (c) HOSPITAL will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding a notice, to be provided by the Federal Government or the State, advising the labor union or workers' representative of HOSPITAL's commitments under the provisions herein and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (d) HOSPITAL will comply with all provisions of and furnish all information and reports required by Section 503 of the Rehabilitation Act of 1973, as amended, the Vietnam Era Veterans' Readjustment Assistance Act of 1974 (38 USC 4212) and of the Federal Executive Order No. 11246 as amended, including by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and as supplemented by regulation at 41 CFR 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (e) HOSPITAL will comply with and furnish all information and reports required by Federal Executive Order No. 11246 as amended, including by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and as supplemented by regulation at 41 CFR 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," and the Rehabilitation Act of 1973, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the State and its designated representatives and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (f) In the event of HOSPITAL's noncompliance with the requirements of the provisions herein or with any federal rules, regulations, or orders which are referenced herein, this Agreement may be cancelled, terminated, or suspended in whole or in part and the Agreement may be declared ineligible for further federal and state contracts in accordance with procedures authorized in Federal Executive Order No. 11246 as amended and such other sanctions may be imposed and remedies invoked as provided in Federal Executive Order No. 11246 as amended, including by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and as supplemented by regulation at 41 CFR 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

- (g) HOSPITAL will include the provisions of subparagraphs (c)(1) through (c)(7) in every subcontract unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Federal Executive Order No. 11246 as amended, including by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and as supplemented by regulation at 41 CFR 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," or Section 503 of the Rehabilitation Act of 1973 or (38 USC 4212) of the Vietnam Era Veteran's Readjustment Assistance Act, so that such provisions will be binding upon each subcontractor. HOSPITAL will take such action with respect to any subcontract as the Director of the Office of Federal Contract Compliance Programs or DHCS may direct as a means of enforcing such provisions including sanctions for noncompliance provided, however, that in the event HOSPITAL becomes involved in, or is threatened with litigation by a subcontractor as a result of such direction by DHCS, HOSPITAL may request in writing to DHCS, who, in turn, may request the United States to enter into such litigation to protect the interests of the State and of the United States.

**ATTACHMENT B  
REIMBURSEMENT**

A. In exchange for Covered Services provided by Hospital to Enrollees in accordance with the terms of this Agreement, authorized by Health Plan when applicable, and within the scope of Hospital's licensing and certification, Health Plan shall pay Hospital's clean claims for such services at the following rates:

<b>Services</b>	<b>Reimbursement</b>
Inpatient services	115% of Hospital's Medicare Allowable Payment

Medicare Allowable Payment (Inpatient Services) will be updated in accordance with CMS changes within forty-five (45) days of receipt of new effective date.

Subject to the provisions stated herein, Hospital agrees to accept as payment in full from Health Plan for Covered Services rendered to Health Plan's Medicare Advantage Members, 115% of Hospital's Medicare allowable in effect as of the date such services are rendered and in accordance with Medicare Advantage laws, rules and regulations, less any co-payments, coinsurance, deductibles or other cost-share amounts due from such Members.

**Included DRG Reimbursement Components:** Notwithstanding anything to the contrary in the Agreement, the parties agree that Plan shall reimburse for Medicare inpatient prospective payment system components, in the same manner as original Medicare, including the following:

1. Base Rate MS-DRG (Includes Operating Federal Specific Portion and Capital Federal Specific Portion);
2. Capital IME
3. Disproportionate Share (Operating and Capital)

4. Bad Debt - Payor agrees to reimburse Hospital an amount as determined below for that portion of Hospital's bad debt that results from uncollected Medicare Advantage Member co-payments and deductibles. The amount reimbursed by Payor shall equal Medicare's percentage of Hospital's bad debt attributable to Medicare Advantage Members' copayments and deductibles. Payor shall have the right to audit the amounts claimed by Hospital. Hospital shall provide documentation satisfactory to Payor that Hospital has complied in all respects with all CMS regulations and rules related to Medicare beneficiary collection and bad debt write offs in connection with collection and attempts at collection of copayments and deductibles of Members enrolled in Medicare Advantage product and all other Medicare patients of Hospital. Such documentation shall be provided to Payor no later than two hundred ten (210) days following the close of the fiscal year for which bad debt reimbursement is claimed by Hospital. Failure of Hospital to provide complete documentation within such time period shall result in a fifty per cent (50%) reduction in the reimbursement. Payment of any undisputed amounts will be made by Payor within ninety (90) days following receipt by Payor of Hospital's documentation and invoice for the amount it claims for bad debt reimbursement. Notwithstanding anything to the contrary in the Agreement, the parties agree that Payor shall not reimburse Hospital for bad debt and/or any other term in addition to the base rate and the outlier in the event the CMS changes its reimbursement policies regarding such. In the event of any such

change, Payor's reimbursement will be adjusted to reflect such change without requiring contract amendment.

5. Uncompensated Care

6. Outlier Payments

7. CMS approved New Technology pass through amounts

8. Factor 8 components if approved and paid by CMS

**Excluded DRG Reimbursement Components:** Notwithstanding anything to the contrary in the Agreement, the parties agree that Plan shall not reimburse Hospital for the following Medicare inpatient prospective payment system components:

1. Operating IME

2. Operating and Capital GME

3. Nursing

---

Outpatient/Emergency Room services	135% of Medicare APC rates, less applicable copayments, coinsurance and deductibles
------------------------------------	---

APC Payments shall be consistent with CMS guidelines effective on the date of service the Outpatient Services are rendered.

Notwithstanding any other reimbursement or compliance terms specified in this Agreement for all Covered Services rendered to Medicare Advantage Members (including but not limited to Members enrolled in Medicare-Medicaid alignment plans or their equivalent), the final payment amount to Hospital as determined under this Agreement shall not be reduced by value based purchasing, sequestration or any other mandatory savings reductions.

**Physician Outpatient Service Reimbursement**
