Customer is responsible for providing any necessary notices to Authorized Users and obtaining any legally required consents from Authorized Users regarding their use of the SaaS Offering and for maintaining the confidentiality of usernames, passwords and account information. Customer and its Authorized Users must not use the SaaS Offering in any way not in accordance with the Agreement and the Documentation.

8.2.3 Customer shall have the sole responsibility for any data submitted, posted, or otherwise transmitted by an Authorized User through the SaaS Offering, including but not limited to the data's accuracy, confidentiality, quality, integrity, legality, reliability, security, appropriateness, IP rights, and privacy consents.
